God's Universal Laws

The Law of Duality

Basically, the definition here is in everything there is an opposite - good vs. evil, love vs. hate, light vs. darkness, healthy vs. unhealthy, prosperity vs. poor, abundant vs. lack, etc. etc. When Adam and Eve ate the fruit from the Tree of Knowledge and opened their minds to this knowledge of good and evil they immediately understood that they now live in a world of duality. We have within us both the good and evil. Good is the soul of God given to us in this physical body and evil being the EGO created by our mind. Through our free will of choice, we can either live a life of EGO or a life in-Spirit. It is only when we are in-Spirit are we able to use the attributes of our Source to co-create our Life experiences.

Let's now wrap the story up as it relates to the identity of our Universal Laws. We pick up with the fact that Adam and Eve did eat of the Tree of Knowledge and their eyes were opened to the knowledge of good and evil. Upon eating of the fruit of the Tree of Life they saw that they were naked. When God appeared in the Garden and called for Adam his response was that they were in hiding and afraid. Based upon having opened their eyes by eating of the fruit of the Tree of Knowledge God laid out the knowledge they needed to go forth from this point in time of their own minds instead of the guidance from their soul. He told Eve what she would come to know since she has chosen living from self. He stated that she would bare multiple conceptions and in doing so she would give child birth with tremendous pain. He told Adam that he and Eve would come to know physical death – Genesis 3:19 "... for dust thou art, and unto dust shalt thou return."
