TRUTH ABOUT ISRAEL

PART SIX

Now since we understand that it was the Roman Catholic Church through the overseer of the financial institutions in the world the Rothschild Dynasty that needed the State of Israel created in order to deceive the people, let us look at just how they planned it and accomplished their objective.

We are not going to rewrite the Roman Catholic Church history to show how they begin to plot the events when the Roman Empire fell but we will pick the history up in 610AD. Think about that? This whole world construct was orchestrated through the Rothschild Dynasty and the Roman Catholic Church. That is another rabbit hole for another day.

The Jewish revolt against Heraclius was part of the Byzantine–Sasanian War of 602–628 and is considered the last serious Jewish attempt to gain autonomy in Palaestina Prima prior to modern times. The Jews had hoped that Khosrau II would give them all of the Land of Israel in exchange for their support. By 617 CE the Persians had reversed their policy and sided with the Christians over the Jews, probably because of pressure from Mesopotamian Christians in Persia itself.

By 622 CE, the Byzantine Emperor Heraclius had assembled an army to retake the territory lost to the Sasanian Empire. In 628, following the deposition of Khosrau II, Kavadh II made peace with Heraclius, but Kavadh II would only have a brief reign. It is said that Benjamin, a man of immense wealth and one of the leaders of the failed revolt, accompanied Heraclius on his voyage to Jerusalem, was persuaded to convert, and obtained a general pardon for himself and the Jews. On 21 March 630, Emperor Heraclius marched in triumph into Jerusalem with the True Cross. A general massacre of the Jewish population ensued. The massacre devastated the Jewish communities of the Galilee and Jerusalem. Only those Jews who could flee to the mountains or Egypt are said to have been spared. It was due to the Jewish revolt that the Roman Catholic Church took to their own religious devices to combat the Jews.

Between the years of 561 AD to 638 AD was one of the greatest global conspiracies in history conducted by ten (10) popes beginning with Pope John II Benedict the 1st, Pelagius Gregory the 1st, Seanan Bonas III, Boniface IV, Pope Benedict II, Pelagius Gregory II, Senan Bonas II, Bonas the IV, Bonas V and Pope Anaras contacting what they will call a second column called Islam that would later become the military industrial complex of the global Roman system. Its purpose was to destroy both the Torah and apostolicity (the True Hebrews and Jews) so that Rome could enter into Jerusalem.

Creation of Islam

The Roman Catholic Church 561 AD to 632 AD laid the foundation for this second column of Islam that will later be birthed through a man by the name of Mohammad. The first column was the Vatican itself.

The global Vatican Calafate of nations would be Islam. Today Islam and the Islamic world are actually Papal states that is used by Rome to effect economic, social and governmental actions.

In 638 AD a scholar was born in Algeria within the Roman Empire by the name of Er Augustinus Oras who is known today as St. Augustine. St. Augustine was chosen to be a Vatican Bishop of a region called the hippo regions area which is called Algeria today. St. Augustine was dubbed the doctor of doctrinal Vatican Law. He would incorporate the teachings of the Phoenicians, the Berbers, the Romans and those of the city of the Vando Kingdom. St Augustine represents the Roman Goddess Diana as exposed by the Apostle Paul in the Book of the Acts.

The world especially the Muslim world have been taught that the Quran came to a young man by the name of Muhammad. First, that is not true. And secondly, that's not his real name. His real name is Ibn Al-Quaim. The Quaim bloodline doesn't come from Mecca nor Medina nor anywhere in the Middle East but goes back to Rome.

It was St Augustine, contracted by Rome, who wrote the composition of the Quran twenty-nine (29) years before Muhammed. St Augustine wrote two documents first called The Theory of Man and his second document called The Confessions of St August of Hippo which is a composition of 13 volumes written in Latin from 397 AD to 400 AD.

It was the bloodline of a young woman by the name of Sadat Tina Kadija from a wealthy family who gave their wealth to the Roman Catholic Church who was a high-level Nun within the Roman Catholic Church that was commissioned by Pope Gregory I to travel to Arabia what is now called Saudi Arabia and to recruit what would be her first husband who was 16 years younger than Kadija by the name of Ibn Al-Quaim. Her assignment and commission were to recruit Ibn Al-Quaim to be the leader of the second column called Islam giving the Roman Catholic Church access to Jerusalem people, economy, society and later government through the Rothschilds.

Establishing King David Flag now the Flag of the State of Israel

David Alroy or Alroi (Arabic: داود ابن الروحي, Hebrew: דָּוִד אֶלְרֹי, fl. 1160), also known as Ibn ar-Ruhi and David El-David, was a Jewish Messiah claimant born in Amadiya, Iraq under the name Menaḥem ben Solomon (Hebrew: מְנַחֵם בֶּן שְׁלֹמֹה). David Alroy studied Torah and Talmud under Hasdai the Exilarch, and Ali, the head of the Academy in Baghdad. He was also well-versed in Muslim literature and known as a worker of magic.

David Alroy led an uprising against Seljuk Sultan Muktafi and called upon the oppressed Jewish community to follow him to Jerusalem, where he would be their king and free the Jews from the hands of the Muslims. Alroy recruited supporters in the mountains of Chaftan, and sent letters to Mosul, Baghdad, and other towns, proclaiming his divine mission. He was born Menaḥem ben Solomon but adopted the name "David Alroy" ("Alroy" possibly meaning "the inspired one") when he began claiming to be the Messiah.

He was able to convince many Jewish people to join him and Alroy soon found himself with a considerable following. He resolved to attack the citadel of his native town, Amadiya, and directed his supporters to assemble in that city, with swords and other weapons concealed under their robes, and to give, as a pretext for their presence, their desire to study the Talmud.

David Alroy created the six-pointed star from two equal triangles and sold it as David's Star. It was created into a flag design and sold to Rothschild Dynasty which flies over the State of Israel today under a facade of King David's Flag. King David had nothing to do with the State of Israel flag.

Creation of Zionism

In 1897 the term Zionism was created and to a Rothschild agent by the name of Theodore Herzl. Theodore Herzl in 1897 created the world Zionist Congress. A year before the creation of the world Zionist Congress in

1896 Theodore Herzl created and published a book called *Der Judenstaat* which means the State of the Jews whose plan was the first to destroy the Ottoman Empire and then destroyed the Palestinians.

The Balfore Declaration

In 1917 the Balfore Declaration document was created and signed through the foreign Secretary of Great Britain. Arthur Balfore through the instruction of his handler Lionel Walter Rothchild, the second Baron Rothchild in Great Britain, and through the instructions of the British Crown by commandment of the Rothchild's in Great Britain the Balfore Declaration would establish two entities, The first one would establish the future State of Israel through number two by creating the house of Saud which through infiltration into the Arabian government the Rothschild Dynasty would take control of Arabian Oil and create a nation now called Saudi Arabia. The British Crown and the British Empire wanted to create a Rothschild State of Israel and the Zionist Federation of Great Britain in Ireland under the Nationalist movement called Zionism. Zionism is not of God. Therefore, how can the State of Israel be of God? Zionism is a political system designed by The Rock Chow Dynasty in eastern central and Western Europe for the sole purpose to deceive the world and access more of the world wealth.

UK Incorporation of the State of Israel/UN Incorporation of Jerusalem

The British Empire incorporated the State of Israel in 1917 domiciled in the UK at 2 Green Palace in London. The United Nations went on to incorporate Jerusalem as a separate corporation underneath the United Nations control. Why would you incorporate a country or a city if the people behind this were actually the true Jews with the land belonging to God first given to the true Hebrews?

The British Empire created a political scheme called mandatory Palestine. Mandatory Palestine was a geopolitical entity that was established between 1920 to 1948 through the region of Palestine under the terms of the League of Nations Mandate for Palestine.

The British Empire actually colonized Palestine again from the first colonization of Roman Empire. The British Empire actually colonized Palestine under a rule from the League of Nations mandate going back to 1920 and then three years after World War II the State of Israel was born with a bloodline of Zavian Frankus coming out of Turkey, Mongolia and central China. In other words, the State of Israel was not formed by the original

Hebrew Jews. It's a fabricated house built in Turkey moved to Palestine, built in Mongolia moved to Palestine, and built among the Han Dynasty in China and move to Palestine.

Shemites vs Semites

Shemites from the Bible, the descendants of Shem, one of Noah's sons make up the true Jews. Semites is a created group that the Rothschild's paid for to confuse the world. Let's take a deeper look. Every Shemite is a semite but not every semite is a Shemite. The term semite is no where within the Bible.

The term Semitic in a racial sense was coined by members of the Göttingen School of History in the early 1770s. Other members of the Göttingen School of History coined the separate term Caucasian in the 1780s. These terms were used and developed by numerous other scholars over the next century. The term 'Semitic' was coined in the late eighteenth century by August Ludwig von Schlözer, a German historian. It was meant to catalogue a group of languages or peoples. It was the Rothschild's who paid Dr. Schlozer to coin the term.

The premise of creating this word was to infiltrate the programming of the people that semites were the same as Shemites so they could place the State of Israel as the Nation of Israel as the Bible speaks about. The term "Semitic" was coined by German linguist Johann Gottfried Eichhorn in the late 18th century. He took it from biblical texts, where Shem is one of Noah's three sons from the Book of Genesis, and the Greek version of his name is Sēm.

If you go to the Anti-Defamation League (ADL) website at <https://support.adl.org> they clearly point out the term semite came from a German scholar in 1781. They do not give the name of its founder but do state that it was created in the 1700's. Isn't that a coincidence? They know they are fake and yet continue the façade.

Israelites vs Israelis

Here is yet another term which was created for public confusion. No where in the Bible does the term Israelis exist. The scriptures call the true Hebrews and the true Jews Israelites not Israelis.

Where did Israelis come from? Early Israeli culture was largely defined by communities of the Jewish diaspora who had made Aliyah to British Palestine from Europe, Western Asia, and North Africa in the late-19th and

early-20th centuries. Do you see anything in the foundation of the word Israelis going back to ancient biblical times?

Modern Israel has its origins in the Zionism movement, established in the late 19th century by Jews in the Russian Empire who called for the establishment of a territorial Jewish state after enduring persecution. Oh, we have a difference between the historical true Hebrews and true Jews versus the modern-day Jews. Wake up!
