God's Universal Laws

The Law of Creation

We need to understand that because our God had no reason to create law before Creation itself, it was in the act of Creation that our Source had to bring forth from His being His thoughts to first create existence and then from existence, existence was created. The existence that was created was God thought used to create the heavens and earth as told to us by God in Genesis 1:1. In God's creation there was no sin. The creation of God was an incarnation of God himself. This means that everything God created was an extension of Him. All life was 100% connected to the mind of God. In truth, everything that God created, prior to sin, had God's mind as its controller of thought.

We are told in the scripture that we are what we think. Proverbs 23:7 "For as he thinketh in his heart, so is he: Eat and drink, saith he to thee; but his heart is not with thee."

So, creation and all that was created was done so by God's thought. And from this creation, all that we think we are we manifest into our daily lives.

Before sin, God walked with man. In other words, God continuously walked (controlled man's thoughts) with man. The thoughts of man were from the direct connection to God.

Man was given the choice of making decisions and this choice is what lead to the introduction of sin into God's creation. Once sin entered the picture, God had to separate Himself from sin because God cannot sin. He hates it. This separation occurred by God separating His mind from the mind of man which caused man to become a fallen state. This fallen state required a new body to be able to live in the elements of the world that man had entered from his sin. It is this body that we live our lives in today.

Creation in Hebrew means to continually develop whatever you are creating. Once you have created it and ready for implementation then you take your creation and form it (make it) into its final state. This is exactly what happen as told to us by God, through Moses in Genesis 1.

In Genesis 1:1 God created the first man. We find this by translating the word "earth" rabbinically. Rabbinically earth in Hebrew is Adamah. We know that when God used the word Adam, He was not addressing one man but the creation of humanity.

Genesis 1:1 "In the beginning God created the heaven and the earth." Created is defined as the origin, the original design. When we look at term earth in Chaldean or Persian, we get the word Laminin. Laminin is the most abundant laminin isoform in the basement membrane of adult skeletal muscle. When you look it up on any search engine image you will find it is in the shape of a cross and has eight parts. So, God's original starting point for the creation of man was to develop (create or think) the protein into existence to begin the process of creating man - the first Adam.

The second creation process we find in Genesis 1:26-27 "26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. 27 So God created man in his own image, in the image of God created he him; male and female created he them." We find that the terms let us make in Hebrew means furtherance or the continuance of creation. So, God took His original design of the protein to make the skeletal system and then created the spiritual being - the second Adam.

Then we find in Genesis 2:7 the formation or the Hebrew meaning completeness in the creation of man using the protein Laminin to form the skeletal structure of man - the third Adam.

So now let's wrap up the formation of the woman. God took man and put him to sleep and took a rib and in using that rib formed a helpmate called woman. We find that Genesis 2:23 Adam states, "And Adam said, This is now bone of my bones, and flesh of my flesh: she shall be called Woman, because she was taken out of Man."

What has been taught from the pulpit and all the elite throughout the world in the inversion process of the world matrix of satan is a lie. Woman was NOT made in the image of God. Woman was made in the image of her helpmate man. This was done to follow the Apostolic order of God. Ephesians 5:22-24 "22 Wives, submit yourselves unto your own husbands, as unto the Lord. 23 For the husband is the head of the wife, even as Christ is the head of the church: and he is the saviour of the body. 24 Therefore as the church is subject unto Christ, so let the wives be to their own husbands in every thing."

In our original natural state of being (CELESTIAL), God created us to be in his image and likeness (spirit) formed as He wanted to form us as a living soul as the man first and the woman second in the image of the man. This hierarchy of the complete creation process is exactly the Apostolic authority structure of God. In this state of being we were spirit wrapped in a body made of dust that housed the light of God. We ARE NOT a terrestrial being first. WE ARE A SPIRITUAL BEING LIVING IN A TERRESTRIAL SUIT.

It was in creation that God thought into us His principles of Life and how we can use the abilities He provided. This Law is addressed to the Spiritual component of Life. It's in the Spirit where we have all the Powers of God, and it is here where His Creation Law applies.
