MATRIX – BIBLICAL HISTORY OF THE SYSTEM

I have twice this week sat down to continue our education commitment. I indicated when we started that I would review creation to establish WHO WE ARE and WHAT WE ARE and then move into four or five events in history to allow you to see how all this fits together and then turn you loose to do your own history study and be here to answer your questions as they may arise. Well, that does not seem what God wants to do.

Each time I have tried to get a historical event done God has reverted my attention to the Matrix study. So as usual, I stopped and listened to what He was trying to get my attention on. Instead of providing four or five historical events at this point, I will do a deep dive into the Matrix - the belly of the beast - so that you can have an inner-standing and understanding from the point of WHO WE ARE and WHAT WE ARE fitting into this spider web. After completing this subject I may, if God leads, go back and do four or five events to aid you in how event history needs to be studied.

When God got my attention and I began to pull from all my journals and notes, I laid it out to see how just to do what God was asking of me. This is a subject that could be a 400-page book itself as will come out in the near future. So I am unsure how God is going to lead us through this subject, but we are going to start today with the subject and it will be most likely several posts because of the length of this subject.

The prep-work required to gain a proper understanding will be woven into the subject parts as we go. To take the time to get through the prep-work would be a lengthy as the subject itself. So, you will find that we may introduce a portion of the subject and seem like we are going off script, but in actuality we are providing details so we can see how scriptures have provided us with this subject, but no one has taught us the truth about this world.

We will use again scriptures from the King James Version and a lot of text from the 45 books that were taken out during the 325AD conference by Constantine and his homosexual partner Pope Sylvester. We will also identify some of the code contained in the bible so that you can see just how the original text before the 325AD conference was one string of continual text (no spaces between words and written from right to left) as one gematria code.

In addition, we will take the previous subjects already covered and may add things to them (building blocks of understanding) as to more meaning of what the scriptures must tell us.

God, please work through me as I have taken your requests and have begun your work of teaching, much different than education, to provide the true history of our being. I was that you give me the knowledge of working through this complex subject and you give me the thoughts you are thinking in what you wish to be taught. I know this will be attacked. I know I will be attacked, and I know the readers will have their minds reading your truths and the counterfeit truths will be what their minds is telling them truth really is. I ask that you block every principality, every demonic spirit and even luficer, satan and the devil themselves from interfering with what you have asked us to do here.

OK, let's get started. This subject is not covered by the current day church, public or even Christian schools today. Why, because they are part of the Matrix. When we get through this subject you will see that the events or services of this world is there for one reason and one reason only - control. it is because of this very simple point of endgame that makes this subject so complex.

In order to understand how the Matrix came into being we need to go back to creation and review some information.

We will look again at Genesis Chapters 1 and 2 again but this time through the lens of understanding the Matrix and not WHO WE ARE or WHAT WEE ARE.

God's First Creation Through Thought

God's first creation was in His Mind that can be understood in Genesis 1:1 as the following.

"in the beginning (before nothingness) God (Elohim) created (thought into existence - existence itself with all of the laws required to create) the Heavens (the condition of his creation as the universe) and the earth (Adamah - what the earth would look like and those that would inhabit the earth)."

Created is defined as the origin, the original design. When we look at term earth in Chaldean or Persian we get the word Laminin. Laminin is the most abundant laminin isoform in the basement membrane of adult skeletal muscle. When you look it up on any search engine image you will find it is in the shape of a cross and has eight parts. So God's original starting point for the creation of man was to develop (create or

think) the supernatural protein into existence to begin the process of creating Adamah/man - the first Adam.

In Genesis 1:1 God sets his order of creation. God is a God of order. We will come to clearly see that. We find the word Universe is made up of two words "Uni" meaning unity and "Verse" meaning the scriptures or God's word - HIS THOUGHTS! So, Universe means the unity of God's thoughts set forth in God's Word - the Bible.

The Heavens and the Earth was the Kosmos of God's Thought. Our current day language has changed the "K" to a "C" to arrive at Cosmos. The word "cosmos" comes from the Greek word "kosmos" which means "order or orderly arrangement" while the word "universe" comes from the Latin word "universus" which means "whole or entire," also from the Greek "holos" which also means "whole." While Cosmos comes from the Greek Kosmos (from the OED: κόσμος - order, ornament, world or universe (so called by Pythagoras or his disciples 'from its perfect order and arrangement')). Cosmos is the opposite of Chaos, which was the first state of the universe.

We need to understand here is the God's creation was orderly and put in an order as to placement of things to provide order. Remember what is God's truth lucifer has a counterfeit truth and in creation this would be chaos.

It is here that all of mankind was created. It is here that God knew the Earth, He would create would fall to a fallen state of the world because He knew lucifer would rebel. It is here God knew mankind would cecum to lucifer counterfeit truths and sin against God. It is here God had to create a supernatural protein (gene) that would provide the conduit to a fallen state back to our spiritual supernatural original design. It is here God knew He would have to come in the form of a man (God's Son) and die for all of mankind. Think about that a moment. If anyone of us were creating anything to know it would fail and know that we would have to make an unconscionable sacrifice to make things right for what we were creating - do you actual think you would create it.

Between Genesis 1:1 and Genesis 1:2 God created the Universe and all His Apostolic Government - the angels. We don't have the details of this creation, but we know that the creation included Heaven (all ten dimensions) and Earth. We know that the angels were created and placed in ranks (titles and responsibilities).

Let's look at God's Apostolic Government.

1. The head of God's Apostolic Government is God Himself - sitting in His Throne room (the top dimension of Heaven). The throne room is God's mind.
2. On His right we know Christ sits. There is not a chair where Christ sits next to God. 1 Peter 3:22 - "Who is gone into heaven, and is on the right hand of God; angels and authorities and powers being made subject unto him." Acts 5:31 - "Him hath God exalted with his right hand to be a Prince and a Saviour, for to give repentance to Israel, and forgiveness of sins." Acts 2:33 - "Therefore being by the right hand of God exalted, and having received of the Father the promise of the Holy Ghost, he hath shed forth this, which ye now see and hear." Hebrews 1:13 - "But to which of the angels said he at any time, Sit on my right hand, until I make thine enemies thy footstool?" Luke 22:69 - "Hereafter shall the Son of man sit on the right hand of the power of God." Hebrews 10:12 - "But this man, after he had offered one sacrifice for sins forever, sat down on the right hand of God;" The right hand represents Deity. The aggressive hand, hand of growth and strength. Right hand laid on a person conveys authority, blessings, power, strength. Matthew 25:31-33 "31 When the Son of man shall come in his glory, and all the holy angels with him, then shall he sit upon the throne of his glory: 32 And before him shall be gathered all nations: and he shall separate them one from another, as a shepherd divideth his sheep from the goats: 33 And he shall set the sheep on his right hand, but the goats on the left."
3. The angels make up God's authority in His Apostolic Government. It is important to note that whatever God has given to the angels to follow Him e has also given to us. There is no difference except that angels or angels and humans or humans. This does not mean that we have the same powers of angels. But it does mean that Gods law is the same. Romans 13:1-2 "1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. 2 Whosoever therefore resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation."

The top tier of angels are as follows.

- A. Highest orders Seraphim Cherubim Thrones. These orders have the ability of Freewill and Thought.
- B. Middle orders Dominions Virtues Powers. These orders have the ability of Freewill and Thought.
- C. Lowest orders Principalities Archangels Angels. These orders do not have Freewill or Thought.

God's Apostolic has not changed from the beginning of God's thought. It is still the government of the entire Universe. Do you get this? This is the government that we should be following. Isaiah 33:22. "For the LORD is our judge, the LORD is our lawgiver, the LORD is our king; he will save us."

We are told that lucifer was the ONLY anointed Cherub. Ezekiel 28:14 "Thou art the anointed cherub that covereth; and I have set thee so: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire." What do we know about covereth. We know that the Archangels wingspan would cover 1/2 of the earth. We also know that lucifer's wingspan would cover all of earth.

We know that lucifer was the choir director over all angels to sing praises to God. Ezekiel 28:13 "Thou hast been in Eden the garden of God; every precious stone was thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created." Look at the first three stones covering lucifer. Note that these stones represent the nature of lucifer. Saridus - S, topaz - T, diamond - D (STD - Sexual Transmitted Disease).

God's Second Creation the Physical Construct of Heaven and Earth - The Universe

When we look at the first creation, we find earth and being God's Kingdom. It was connected to heaven through the Garden of Eden.

When we examine history from a Biblical point of view matched to science, we have a disconnect. The gap of time and activities between Genesis 1:1 and Genesis 1:2 in detail is missing from scripture. In order to gain an understanding about this from a scripture basis is difficult at this moment in time if not impossible. However, we know from the details provides in all public available ancient texts that these details are there in ancient manuscripts hidden from public viewing mainly from the control of the Vatican Church. We know that there are over 17,000 of such manuscripts written about that period of time but not yet made public. Because of this we are left to science to provide some answers to our questions about this missing historical reference of time and activities.

What we do know is God in Genesis 1:1 created from his thought the physical Universe. We do not know the details of this creation other than the Heavens and the Earth were connected through the holy mountain of God. We know that from scripture angels were created and the earth was home to them with the overseer of Lucifer as God positioned him on the holy mountain of God. We know that Lucifer was a choir director (minstrel) directing the angels to sing praises until God. We extrapolated from scripture and

present-day information that the angels created were at a minimum 1.5 billion. We know that God developed through His angels His Apostolic Government.

What we don't know is what did the Universe look like and consist of. We know that God made stars and the stars could be (maybe) proven through science to be actual structures like we understand to be planets. We know from science that the stars we see at night are light years away from the earth atmosphere.

Many modern-day books have been written about the stars are actual structures that housed the angelic creatures who ruled over the lower level of angels residing on these star structures. However, there is no writings of ancient scriptures made known to the public to confirm or even deny any of this.

What we do know is that there was a period when God created the physical Universe until the rebellion of Lucifer that is basically unaccounted for in ancient texts. We can pick up with lucifer rebellion against God and move forward in historical time and events but that period between God creating the Universe and lucifer rebellion is still a mystery for now. Therefore, the only thing we can relate to from the initial physical Universe creation is what we can get from the ancient texts and science.

So, lucifer was the minstrel director over all the angles and the inhabitants of earth - the spiritual beings on earth before lucifer rebellion.

lucifer's rebellion and its impact on creation

Let's look at just what that event had on Creation at this point.

1. The thought of lucifer, just like the thought of God in Genesis 1:1 with the creation of Laminin the supernatural protein (we will get to the importance of this in the next post), created the first pathogen we know as blood and bone marrow.
2. God had to enact His judgement. The first trial. The first conviction. The first execution of sentencing.
3. The Law of Duality was created. The Law of Duality definition is that in everything there is an opposite - good vs. evil, love vs. hate, light vs. darkness, healthy vs. unhealthy, prosperity vs. poor, abundant vs. lack, etc. etc. When Adam and Eve ate the fruit from the Tree of Knowledge and opened their minds to this knowledge of good and evil they immediately understood that they now live in a world of duality. We have within us both the good and evil. Good is the soul of God given to us in this physical body and evil being the EGO created by our mind. Through our

free will of choice we can either live a life of EGO or a life in-Spirit. It is only when we are in-Spirit are we able to use the attributes of our Source to co-create our Life experiences. In all this physical life experience one must seek the truth as whether the thought or action one does is of God or lucifer - everything is based on this Law of Duality.

4. God expelled Lucifer from Heaven. This meant that the continual space of Heaven and Earth had to be closed. This separated Earth from Heaven into parts and not a whole. In doing so, the Earth, as intended, lost its earthly status in Heaven and became the world with its ruler Lucifer - the fallen one of Heaven.
5. When this happened the light being radiated upon the Earth from the light of Heaven was no longer there and darkness came over the Earth. It is here that the deception starts. Lucifer matrix wants us to believe that the world and earth are the same when in fact they are different. The Earth God Created and was part of the Heaven. The Rebellion removed this connectivity and therefore the Earth (part of God's Kingdom) became the world underneath the rulership of Lucifer. Isaiah 45:12 "I made the earth and created man on it; it was my hands that stretched out the heavens, and I commanded all their host." If you review scripture about the earth you will find it is referenced only to God. 1 John 2:15-16 "Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world." Romans 12:2 "And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God." So when scripture talks about the world it is always referenced back to Lucifer. So the gates to Heaven were closed, the earth became a world ruled by Lucifer and the matrix began. The first delusion is that the earth and the world are the same. This is a lie. They are complete opposites.

We do not know the timing of this rebellion currently. So we don't know if it was billions of years before the third creation or two days. All we can derive from scripture and ancient texts is that Lucifer did rebel, God cast him out of Heaven, God closed the continual space between Earth and Heaven (God's Kingdom), the earth became the world matrix ruled by Lucifer and the earth lost all of its light.

One may assume that this expulsion and the removal of light was the catastrophic event that causes the flash freezing of all living things on earth. It could be. When all the light (heat) was removed, and darkness fell the earth became a world of darkness and cold. When you add this concept to scripture with Christ telling us the He saw Lucifer cast out of Heaven as lightening this equates to a major sudden

change that could have caused this event. If that is the case, then we can use science to give us some clues about the timing of this event in our history. Luke 10:18 Christ said, "And he said unto them, I beheld Satan as lightning fall from heaven."

So everything changed. Before lucifer rebelled, there was only God, Heaven and His Creation. After lucifer rebelled there was immediately developed the Law of Duality and for every TRUTH of GOD there was a counterfeit truth. We see this in the fact that lucifer rebelled with a thought. God created the first creation by thought.

So, the Matrix was created. The fallen earth was now the world. The Law of Duality was in full force. God's expulsion of lucifer from heaven corrupted all the earth. Those that resided on earth, those that lucifer was overseer of before the fall, were all corrupted. All the vegetation was corrupted and new plants created from the corruption. The light of the earth went into total darkness. The fallen earth being the world was now a wasteland cold and dark. Genesis 1:2 "And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters."

The Creation of the Deep State

Face in Hebrew is pe-nei meaning state of mind. The deep state was created with the thought of lucifer and his expulsion from heaven. "Darkness was upon the face (State of mind) of the deep (Deep State)." It is at this point that the matrix system was formed. As you will see as we go further in this education just how the deep state matrix is constructed.

It is here we had two systems of the Universe take place. We had God's system of order and Apostolic Government, and we had the lucifer deep state matrix system of chaos and luciferian government. So, God in His renovation of the fallen state of the earth back to earth, had to maintain the world because of lucifer - L, satan - S and the devil - D (LSD).

God's Third Creation

It is here where things get interesting. In order to complete His third creation He had to renovate the original earth He had created from its fallen state because it became a cold dark wasteland at the time lucifer was cast out of heaven. We find out just how God renovated the original earth by looking at the First Book of Adam and Eve.

Chapter 1 verse 1-4 "1 On the third day, God planted the garden in the east of the earth, on the border of the world eastward, beyond which, towards the sun-rising, one finds nothing but water, that encompasses the whole world, and reaches to the borders of heaven. 2 And to the north of the garden there is a sea of water, clear and pure to the taste, unlike anything else; so that, through the clearness thereof, one may look into the depths of the earth. 3 And when a man washes himself in it, he becomes clean of the cleanness thereof, and white of its whiteness—even if he were dark (this a subject that needs to be covered but for another day). 4 And God created that sea of his own good pleasure, for He knew what would come of the man He would make; so that after he had left the garden, on account of his transgression, men should be born in the earth. Among them are righteous ones who will die, whose souls God would raise at the last day; when all of them will return to their flesh, bathe in the water of that sea, and repent of their sins.

From the texts contained in the First Book of Adam and Eve we see that God knew that mankind would sin. He provides provisioning for their sin. Let's take this forward to today. The word bathe in Hebrew is Ulpan La-lnyan meaning to immerse. So, just as God provided at creation, He provided it for Christ and all of humanity that have been saved. Matthew 3:16-17 "16 And Jesus, when he was baptized, went up straightway out of the water: and, lo, the heavens were opened unto him, and he saw the Spirit of God descending like a dove, and lighting upon him: 17 And lo a voice from heaven, saying, This is my beloved Son, in whom I am well pleased." And Peter tell us in Acts 2 "Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost."

We find here in this scripture another change made by Constantine and his homosexual partner - "Holy Ghost." The original text was Holy Spirit, but Constantine and Pope Sylvester wanted to have us put a curse on us in changing the word spirit to ghost. Current day dictionary defines ghost as the soul of a dead person, a disembodied spirit imagined, usually as a vague, shadowy or evanescent form, as wandering among or haunting living persons. In Persian the word ghost is ghast meaning undead beings, Zombies basically, created from the corpses of the recently deceased. Ghosts are slow and shambling, but their touch is hazardous on account that they are infected with paralyzing death fever.

We know that the heavens and earth were connected in one continual space through the holy mountain of God - the Garden of Eden. And we know because the Garden was God's holy mountain that there was no darkness. In fact, scripture tells us God is light and no darkness there with. 1 John 1:5 "This then is the

message which we have heard of him, and declare unto you, that God is light, and in him is no darkness at all."

The picture of God's renovation is as follows:

1. The heavens were above the earth.
2. The original earth which was turned into a wasteland was remitted to water reaching the heavens. And in Chapter 1 of the First Book of Adam and Eve we are told of a sun rising, consistent with Genesis 1. Sun and moon created and placed in the firmament with day and night creating one day.
3. The Garden of Eden sat on the holy mountain of God which was above the waters connected to heaven where there was nothing but light.

We can confirm this looking further into the verses in the First Book of Adam and Eve.

Chapter 2 verse 1-4 " 1 But when our father Adam, and Eve, went out of the garden, they walked the ground on their feet, not knowing they were walking. 2 And when they came to the opening of the gate of the garden, and saw the broad earth spread before them, covered with stones large and small, and with sand, they feared and trembled, and fell on their faces, from the fear that came over them; and they were as dead. 3 Because—whereas until this time they had been in the garden land, beautifully planted with all manner of trees—they now saw themselves, in a strange land, which they knew not, and had never seen. 4 And because, when they were in the garden they were filled with the grace of a bright nature [God's light], and they had not hearts turned toward earthly things [darkness].

Chapter 4:5-6 " 5 What is this rock, by the side of those groves? What is the gloom of this cavern, compared with the light of the garden? 6 What is this overhanging ledge of rock to shelter us, compared with the mercy of the Lord that overshadowed us?"

Moving on in building an understanding of the Matrix.

So, in Genesis 1:2-31 we find the scriptures providing us the information about creation. What is interesting to note, that has not been already noted in previous posts, is that the creation of male and female in Genesis 1-26-27 is not the same male of female of Genesis 2:3 where Adam is formed. So when God renovated the fallen earth, He created a kind of man and female that were placed on the earth during

God's renovation. We call this the pre- adamite age. So God renovated the fallen earth, placed spiritual beings on earth where lucifer resided before the formation of mankind in Genesis 2:3. However, these spiritual beings were not placed in the area of the fallen earth where day and night resided but in the area around the Holy Mountain of God - the Garden of Eden area.

The renovation of earth had two different paradigms - one of holiness (Apostolic Order) and one of the fallen state (luciferian chaos). What do we have today? Our body has two different paradigms - one of holiness (spirit of God upon acceptance through faith) and one of the fallen state our physical body and ALL its parts, fluids and mind.

Let's remember these as we move into Genesis 2.

In Genesis 2:1-25 we find the completion of God's (Elohim) creation and on the seventh day God (Elohim) turned the formation of the earth and humanity to the relationship personality of God (Adonai) - the Lord God as identified in Genesis 2:4 "These are the generations of the heavens and of the earth when they were created, in the day that the Lord God made the earth and the heavens,"

The creation was done by Elohim the personality of the all-powerful God. It was at this point that Elohim the all-powerful God was ready to shift the finishing up the formation of the earth to Adonai. God (Elohim) finished creating and shifted the formation, the relationship of God to the earth, to the personality of God called Adonai. How do we know of the shift in God's personality going from creation to formation. It is in the use of the word "Lord God" in verse Genesis 2:7 versus the word God throughout Chapter one. When you read scripture and you see the word Lord God that represents the relationship God called Adonai.

Today's church teaches that in Genesis 2:2 that God took a break and rested on he seventh day, not doing anything but lay in the bed or sat in a chair and did nothing. This is contrary to the actual Torah. The Torah states "On the seventh day God finished the word that He had been doing, and He ceased, on the seventh day from all the work that He had done."

Based then on the actual Torah God finished His formation of the heavens and the earth on the seventh day and then stopped His creation process.

In Psalms 8 we are told that humanity was formed lower than angels. This means in the Apostolic Order humanity is the level just below the angelic host God created. Psalms 8:2-7 "2 Out of the mouth of babes and sucklings hast thou ordained strength because of thine enemies, that thou mightest still the enemy and the avenger. 3 When I consider thy heavens, the work of thy fingers, the moon and the stars, which thou hast ordained; 4 What is man, that thou art mindful of him? and the son of man, that thou visitest him? 5 For thou hast made him a little lower than the angels, and hast crowned him with glory and honour. 6 Thou madest him to have dominion over the works of thy hands; thou hast put all things under his feet: 7 All sheep and oxen, yea, and the beasts of the field; 8 The fowl of the air, and the fish of the sea, and whatsoever passeth through the paths of the seas."

What we find is something very special that God gave humanity, His anointing. Remember the only angel that was anointed was lucifer. In Genesis 2:6 "But there went up a mist from the earth and watered the whole face of the ground."

What we find here is that God anointed all His creation and the formation (completion) of the heavens and the earth. Why is this important?

Isaiah 61:1 "The Spirit of the Lord God is upon me; because the Lord hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound;"

Anoint means to pour over someone or something the blessings of God. To be anointed from God was to have His blessings/selection of service.

Today's churches teach that the anointing came to man through Pentecost with the releasing of the Holy Spirit upon the Apostles. This is not true. The Apostles were already anointed of Christ (who is God Himself) before Pentecost. Just like in Isaiah 61:1 where Isaiah says the Spirit of the Lord God is upon me, because the Lord hath anointed me to preach, we see these are two separate activities. The anointing of God is your calling. The Spirit of God is your power to carry out the anointing.

Humanity was anointed in Genesis 2:6 "But there went up a mist from the earth, and watered the whole face of the ground." Humanity's power was in the presence of the almighty God Himself because man formed in Genesis 2:7. The formed man was of spirit and the mind of the spiritual being was God's mind before sin. Therefore, mankind had all the power of God.

However, God also gave mankind the freedom of Freewill. What God had hoped for but planned for any outcome, was that the formed Adam and Eve would not transgress against God. But he knew that some of humanity would. How do we know that. Let's review again the First Book of Adam and Eve.

Chapter I - The crystal sea, God commands Adam, expelled from Eden, to live in the Cave of Treasures.

1 On the third day, God planted the garden in the east of the earth, on the border of the world eastward, beyond which, towards the sun-rising, one finds nothing but water, that encompasses the whole world, and reaches to the borders of heaven.

2 And to the north of the garden there is a sea of water, clear and pure to the taste, unlike anything else; so that, through the clearness thereof, one may look into the depths of the earth.

3 And when a man washes himself in it, he becomes clean of the cleanness thereof, and white of its whiteness—even if he were dark.

4 And God created that sea of his own good pleasure, for He knew what would come of the man He would make; so that after he had left the garden, on account of his transgression, men should be born in the earth. Among them are righteous ones who will die, whose souls God would raise at the last day; when all of them will return to their flesh, bathe in the water of that sea, and repent of their sins.

What God did was create a method to allow His creation to live in the Matrix and seek forgiveness of their transgressions, but God had hoped that Adam and Eve would not be those that transgressed.

Let's get back to the history.

So we find that God formed man because there was no man to till the ground. In Genesis 2:5 "... for the Lord God had not caused it to rain upon the earth, and there was not a man to till the ground."

Ask yourself a question here. Why would God need a man to till the ground when all beings created were spiritual beings? They ate no food as grown from the earth.

We get our answer in Isaiah 12:14 "“How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!”

What Isaiah is telling us here is that they were nations of beings on the earth at the time of the fall. Scripture does not tell us these nations were removed from the face of the earth at the time of lucifer rebellion and expulsion. In fact, what Isaiah was telling us was the the nations were weakened because the fall of lucifer infected them beings and needed someone to heal them.

Let's look at it this way in today's perception viewing.

1. God created angels and spiritual beings. The spiritual beings lived on earth and did God's work on earth with lucifer being the minstrel overseer. lucifer was the tiller of the minds of the spiritual beings for God.
2. lucifer fell and corrupted the entire earth changing the earth to now the world and all things on earth were weakened (corrupted).
3. God renovated earth and created new spiritual beings which were to help the formed man to now be the tiller of the minds of mankind.
4. God formed mankind - Adam.
5. God gave Adam a help mate - Eve.
6. God gave them dominion of all living things earth.
7. God placed them in the garden - the holy mountain of God - to till the minds of the kinds of man who were in the world (those corrupted by the fall of lucifer) and those in the renovated earth that God have created in Genesis 1:26-27.
8. God anointed (blessed) Adam with His anointing in Genesis 2:6.
9. God was the mind of Adam so Adam had all power to carry out God's purpose of humanity.

Getting back to history.

So, God formed man out of the supernatural particles of earth called dust. Man was formed as a spiritual being. This spiritual being had no body parts, no fluids, no viruses, no bacteria, had spiritual senses and not physical senses and had no need to eat food, extricate any waste and all the other things we do in this physical experience.

Upon the formation of man we now have two systems pulling at this formed mankind for control. We have God's Apostolic System of Order and lucifer deep state system of chaos.

This then formed five eternities.

1. God
2. Heaven
3. Mankind in the middle!
4. lucifer
5. hell

Mankind was stuck in the middle between the 10 Heavens and 10 hells. The chess board had been set; God on one side and lucifer on the other with mankind as the pieces of the game. The outcome of the game would be who would be in control.

God allowed the game to be played fairly. He placed the human subjects in the garden with knowledge of them being spirits, anointed of God and having the mind of God. He allowed lucifer to be in the garden and tempt Adam and Eve. And, God gave humanity a choice of Freewill. The game that was thought of God and lucifer had just begun.

So, we take WHO WE ARE and transition into WHAT WE ARE.

We have come to the understanding through previous posts that through the thought of lucifer, just like the thought of God in Genesis 1:1 with the creation of Laminin the supernatural protein (we will get to the importance of this in the next post), that lucifer through thought created the first pathogen we know as blood and bone marrow.

Man as formed in Genesis 2 was supernatural and had no blood, no chromosomes, no genes, no proteins and no enzymes (our original state). These elements of the body as we know today came as a result of Adam's transgression against God.

So the basis of What We Are comes from the transgression of Adam against God but was developed through the thought of lucifer at the time he rebelled against God.

At the root of What We Are is this Law of Duality. We must take seriously this Law now (today in our everyday life) understanding our physical lives. In every TRUTH OF GOD lucifer has a counterfeit truth. It is through the Law of Free Thought that we choose whether we continue to be What We Became (Are) or to understanding the principles and teaching of Christ to revert to Who We Are.

Let's explore this a moment for proper inter-standing and understanding.

Why did Christ come? He came to reverse the process man had created by transgressing against God. We were spiritual Celestial beings (immortal) that though choice allowed lucifer to infect us transforming us to terrestrial beings (mortal). In our immortal spiritual state we were the image of God. Through transgression we are no longer in the image of God physically but have the soul and spirit of God inside of us.

Christ came to reverse this process.

Scientists for the last hundred years or so have taught that at the center of the human being makeup is metabolic light. They teach that this metabolic light energy field is the strongest in emittance between the time period of 9am to 3pm. In fact, that state that this energy is 1,000 times the energy of the eye. John 8:12 "Then spake Jesus again unto them, saying, I am the light of the world: he that followeth me shall not walk in darkness, but shall have the light of life."

Christ was on the cross from 9am to 3pm. Nine times three equals twenty-seven, the number of books in the Old Testament. Inverting the 3 and 9 one gets the number 39 which is the number of books in the Old Testament. Nothing is of coincidence. God's word is a book of code and words.

So where have we got to in this creation of mankind?

In Genesis 1:1-27 We have the following.

1. God's first creation was in His Mind that can be understood in Genesis 1:1 as the following. "in the beginning (before nothingness) God (Elohim) created (thought into existence - existence itself with all of the laws required to create) the Heavens (the condition of his creation as the universe) and the earth (Adamah - what the earth would look like and those that would inhabit the earth)." Created is defined as the origin, the original design. When we look at term earth in Chaldean or

Persian we get the word Laminin. Laminin is the most abundant laminin isoform in the basement membrane of adult skeletal muscle. When you look it up on any search engine image you will find it is in the shape of a cross and has eight parts. So God's original starting point for the creation of man was to develop (create or think) the supernatural protein into existence to begin the process of creating Adamah/man - the first Adam.

2. Genesis 1:26-27 we find God's creation of the first man and woman. "26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. 27 So God created man in his own image, in the image of God created he him; male and female created he them." Please take note that God created man - not a she man or a man she; a man!
3. Genesis 2:7 "7 And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul." Adam then Eve.

Let us not forget (for another topic a different day) that in Genesis 1:28 God said "And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth." The word replenish used in this verse denotes that there were previously man and woman prior than this time period.

A study of God Logos vs lucifer deception

Logos is the Greek word transcribed as "reason," "word," "speech," or "principle." In Greek philosophy, it related to a universal, divine reason or the mind of God. The gospel of John connected this Greek term with the nature and existence of God and Jesus Christ.

God's Logos is the ality of man. Lucifer's logos is the reality of man.

God's Logos is the essence of man. Lucifer's logos is the perception of man.

God's Logo's is man's total truth. Lucifer's logos is man's total lie.

God's Logos is God's anointing. Lucifer's logos is his counterfeit anointing.

God's Logo's is thought of thought. Lucifer's logos is the thought of deception.

We understand from the previous post that God had to change the skin of man to be able to handle the world conditions of hot and cold from the celestial being to the terrestrial being. We were told by Paul in 1 Corinthians 15:40 "There are also celestial bodies, and bodies terrestrial: but the glory of the celestial is

one, and the glory of the terrestrial is another." When you look at the KJV you will see many words in this passage that are italicized. When you read the bible and see words italicized it means that a person, place or thing is to be transformed whether it be a good or evil transformation.

When we go to Isaiah 55:8-9 "8 For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord. 9 For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts." God speaking through the prophet of Isaiah is telling us that after our transgression we are no longer in the image of God. Our thoughts are not his thoughts - we have separated the connection of the direct linkage of God's mind in us in our original state to our physical brain.

So God, when Adam transgressed, showed mercy on him and gave him another body - the terrestrial body. This body was required to house what Adam became as a result of his transgression. Lucifer infected the body of Adam and Eve with blood pathogen and with that the infection required a different body that now required body parts that were not of the spiritual celestial body. God closed our spiritual eyes and because of that he had to give us physical eyes to see. God had to give us ears to hear because we no longer were listening to God. God had to provide the feeling system of nerves, etc. so we could feel touch. God had to give us a system to nourish this terrestrial body because we now had to eat to feed the body. God no longer provided the ability to replenish the earth through a spiritual blessing but provide the body system and parts of reproduction.

But Christ came to reverse this and as humans we have two examples of this process being reversed without the physical death - Enoch and Elijah the Tishbite. Enoch Genesis 5:24 "And Enoch walked with God: and he was not; for God took him." Elijah 2 Kings 2:1 "And it came to pass, when the Lord would take up Elijah into heaven by a whirlwind, that Elijah went with Elisha from Gilgal."

But when we look at scripture, we find that Christ says John 3:13 "And no man hath ascended up to heaven, but he that came down from heaven, even the Son of man which is in heaven."

What we find here is that God was so worshiped and had such a relationship with Enoch and Elijah that they changed from their mortal state of man to their celestial state of man. In other words they had died completely out to Christ that they were no longer terrestrial beings but had returned to their celestial beings and, in doing so, God took them.

So, now we can understand what Paul was telling the church of Corinth. 1 Corinthians 15:40. This is Saint Paul's first letter to the Church at Corinthians. It states, "There are also celestial bodies, and bodies terrestrial: but the glory of the celestial is one, and the glory of the terrestrial is another." Paul is telling the Church at Corinthians about the creation and WHO THEY ARE! When we look at the Greek the word celestial used in Greek (the language written in the New Testament) as epourania which comes from the root word epi meaning on or upon and another root word ouranos which means heaven. So celestial beings were the beings created in Genesis 1:1, Genesis 1:26-27 and now in the completion of man Genesis 2:7. When we look Greek word for terrestrial, we find it is epigeia which also comes from the first root word of epi meaning on or upon with the second root word being gé which means the earth or land. So terrestrial beings we will discuss in the next post as the embodiment of What We Are.

The Matrix is a deep state system. But a system without parts cannot operate whether good or bad. Here is WHAT WE ARE - WE ARE THE MATRIX. WE ARE lucifer's PLAN!
