Creation

Comprehending the Law of Duality

Over this last week I have been in prayer asking God how to present the materials about His third creation. It is not about presenting the information contained in understanding His third creation. The problem educators have is mainly not in presenting the subject materials but in presenting the material with the underlying knowledge base to understand the materials being presented. So, instead of just presenting the materials right out of scripture and hope that everyone can discern the truth in the scripture, I asked God what underlying materials should be presented so that when we actual get to presenting the third creation you can understand what the scripture say.

We are going to lay some foundational points in the next few posts to allow you to reprogram yourself with the knowledge of God so that you can understand just who and what we are.

This is the first of such of these posts - Comprehending the Law of Duality.

God tells us in Hosea 4:6 "My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children."

In Proverbs 2:6 "For the Lord giveth wisdom: out of his mouth cometh knowledge and understanding."

So, it is not only our hope that this post will become the foundation of knowledge for you, but you can take it and build upon it in your own research that you may come to the complete understanding of God. For it is in this understanding, that you will tap into not only the grace of God but in His understanding of who and what you are.

OK to the actual subject matter of this post.

We have grown up in a world that has not provided us with the ability to decipher life but has told us what life will be for us. So our root of the knowledge of God and who and what we are come from that same mold. From the beginning of time (we will get to this later), the world has presented itself as the provider of all things when in fact the provider of all things is in us. Therefore, our knowledge base of life, this world and who and what we have been a lie.

The agenda from our education, our churches and those we look to as leaders within the community has been based on a worldly position of life instead of the life we were intended to have.

You will come to see over the next several posts just how real this is.

At the heart of this is the Law of Duality. The Law of Duality basically tells us that for EVERY TRUTH OF GOD there is a counterfeit truth of Lucifer.

We stated in the last post that when you read the word EARTH you can know that is of GOD and that is what we were to live on. You were also told when you read the world that is of Lucifer. So let's begin there. God tells us that He created the heavens and the earth. He did not state that He created the heavens and the world. The Heavens and the Earth were one continual space making up the heavens. But when Lucifer rebelled against God and was cast out of heaven the continual heavenly places were closed and the God's Earth became the world of Lucifer. However, this division of the Earth and world did not start there.

God tells us Proverbs 23:7 "For as he thinketh in his heart, so is he: Eat and drink, saith he to thee; but his heart is not with thee." In Genesis 1:1 God's first creation was the creation of thought and through thought existence. And based upon the Law of Duality that for every truth

of God is a counterfeit truth of lucifer we can now see that as God thought creation into being it was lucifer thought that created the separation. Had not lucifer thought none of the world we live in would have been put into existence.

At the basis of the Law of Duality we can now understand that EVERYTHING God is in truth lucifer is in counterfeit truth. For EVERY process of God, lucifer has a counterfeit process. For EVERY blessing of God, lucifer has a counterfeit blessing. It is extremely important we get this Law burnt in our mind. Why? Because the entire scriptures, when you read them after comprehending the Law of Duality, you will finally see that the scripture is providing the roadmap of living in the state of the world.

We have been taught the surface view of this law. The law was mainly taught to us as the law of opposites. Hot vs cold, love vs hate, up vs down, right vs left, etc. However, this manner of teaching was to position the mind in understanding if someone of knowledge were to teach you the truth you would comprehend that truth as one of these surface positions and not the true meaning - the counterfeit truth. See in every counterfeit truth that is some truth included so that you would not question what is being told to you.

We will in the following begin the process of getting into the depths of this Law for you to be able to comprehend it. However, we will not provide an exhaustive list but leave that for you to continue the list for yourself so that you can understand of this law more fully.

God is the only one who can create and heal anyone. Therefore, lucifer can only counterfeit create by having humanity take whatever he is giving them to then take over God's creation. (THE JAB). By scripture, God tells us that it is only He that can heal the body. Therefore all other healing events that are not of God are counterfeit hearings that move us away from God to lucifer. Now some details.

God created thought and it was thought that created existence. Stop here. We see that it is thought that determines everything. So just like in Proverbs 23:7 tells us everything begins with a single thought. Therefore, God thought of the heavens and the earth into existence so then lucifer thought of the world and hell into existence. So the separation of the heavens from what we call earth didn't happen with lucifer's casting out of heaven it happened the very point in time lucifer thought of his rebellion.

God owns the earth and lucifer owns the world. The Earth is what our natural state was to live on, and the world became the fallen state of the earth when lucifer rebelled. However, we are taught that the earth and the world are one in the same (some truth to every counterfeit truth) so that we will not question the truth.

We stated in a previous post that God created dimensions of heaven. Well when lucifer thought and the world took over lucifer created ten hells. So in our fallen state of being there are now ten heavens and ten hells. One of the dimensions of heaven is God's throne room where He resides, and it is through this throne room where we are to comprehend the mind of God through Christ. Matthew 4:4 "He answered, "It is written: Man must not live on bread alone but on every word that comes from the mouth of God." Well guess what? Lucifer also has a throne room in this world.

So let's build out some of the opposites we need to understand.

- God - Lucifer
- Earth - World
- Truth - Counterfeit Truth
- God is light - lucifer is darkness
- God's natural state for us is spirit - lucifer natural state for us is physical
- Whatever is supernatural to God is super unnatural to lucifer. Then whatever is supernatural to lucifer is super unnatural to God.

- Whatever is natural to God is unnatural to lucifer. Then whatever is natural to lucifer is unnatural to God.
- Holiness - sin
- Timelessness - time
- Heaven - hell
- Our natural state of being (Celestial) - our unnatural state of being (terrestrial)
- The nature of Mind of God (spirit) - the nature of mind of lucifer (ego).
- Blessing - curses
- Natural food (God gave us all the seeds to plant) - Processed food in cans (contaminants to kill us)
- God breath of life - oxygen
- God's Cycle of Completion - lucifer Phys-co of completion
- God's one language of Hebrew Aramaic dialect - lucifer's world of 9,000+ languages and who knows how many dialects.
- Supernatural (spirit) - Unsupernatural (flesh and blood)
- Spiritual senses - physical senses
- Christ - Satan
- Holy Spirit - Devil
- Angels - Demons
- health - sickness
- Natural food (God gave us all the seeds to plant) - Processed food in cans (contaminants to kill us)

OK, we have begun a list above. It is asked that you take and do whatever additional research you need to completely comprehend the Law of Duality. In addition, because this is not an exhaustive list it is asked that you continue to build the list in the comment area for all to have so that each of us may come into the knowledge of God.

The scripture is a tapestry of information. It tells us about who and what we are. It tells us the cause of our state of being and it tells us what can happen to us when we are not in spirit with God. It is only in understanding what is being told to us through the Laws of God that we can come to some knowledge about Him and how we remove us from this world back to heavenly places.
