TRUTH ABOUT RELIGION & THE ROMAN CATHOLIC CHURCH

PART ONE

Have you ever wondered exactly the origins of religion? Have you ever asked yourself how did the church today became the church? Have you even considered that religions and what we call denominations may have originated from some other origin than what

we have been taught to believe? Have you ever sought after the truth about the most fundamental organic entity that shapes the very morals and ethics of your belief system? Have you ever questioned that nowhere in the scriptures except in **James 1:26-27** **"26 If any man among you seem to be religious, and bridleth not his tongue, but deceiveth his own heart, this man's religion is vain. 27 Pure religion and undefiled**

before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep himself unspotted from the world." If this is the definition from scripture then have you ever compared yourself to this definition that you live your religious life within the scripture definition? Now a final question. If the only reference in the scriptures is in James (New Testament) then why did it not appear in the Old Testament? Don't you find that odd if the word of the LORD God is consistent throughout the scriptures as indicated by the LORD God within the scriptures. Throughout the scripture the theme of any was the term worship. The original meaning of the word "WORSHIP" is found in the Strong Concordance H7812 שָׁחָה, shâchâh shaw-khaw' meaning a primitive root; to depress, that is, prostrate (especially reflexively in homage to royalty or God): - bow (self) down, crouch, fall down (flat), humbly beseech, do (make) obeisance, do reverence, make to stoop, worship. Do you find anything in the meaning to worship about going to a building called a church, in accordance with a religious belief system called a denomination, and to participate in a program to celebrate who?

It is time we understand the truth and begin to apply it as required from the scriptures.

The term religion comes from the word legion. Legion in the scriptures represent 6,000 demons that Christ cast out three different times. The word legion in Greek Lexicon means a body of soldiers whose number differed at different times, and in the time of Augustus seems to have consisted of 6826 men (i.e. 6100 foot soldiers, and

726 horsemen) Part of Speech: noun feminine. There are no coincidences. When Christ cast out the legion in three different occasions He was stating that the demons came out of the Roman worships of demons and that the number within one body was represented by the number of men in a Roman Legion. This reference was to tie for the reader of scripture that the Roman Empire was demonically controlled and that all who came out of that system had demonic influence or was controlled by many demons.

This was the same in ancient history. The LORD God's chosen people were to worship Him and those that were of the gentile race (descendants of Cain) worshiped the gods of lucifer. So, from the beginning of time we find no difference in worship of today. If we are following the worship of the system (the Matrix this world as created by man) then we are worshipping the demonic system. Unless we come to the true understanding about Christ and His Christology we will be thinking we worship the one True LORD God when in actuality we are worship the gods within the system – religion.

So, where did religion get it start. We have not far to go within the New Testament of the scripture to identify that. It started with the Roman Catholic Church.

I wonder just how many people actually know the truth about the Roman Catholic Church. Over 2.9 billion people worship the faith of the catholic religion. Many have no clue just how evil the Catholic System is. Those that worship other religions outside the actual catholic church don't even know that the roots of their religion one way or the other are rooted in the ancient system of the Ramon Catholic Church. One may ask why this is important? Well, for those that wish to know the truth and have not yet sought out the truth are living the evil lie and will go to the pit of hell led specifically by the Roman Catholic Church.

Because we are called to set forth the truth we will begin a multi-part study of the Roman Catholic Church from the beginning of time through the prophesies of scripture as to the use of this Vatican System in the end times. Not sure how many parts this will become but we will use the leading of the LORD God to allow those parts to take shape for the truth to be exposed.

Many readers may find this appalling, and many will find finally the truth about how this world has been controlled by one of the vilest systems ever invented outside of lucifer himself. It is our hope that you do pay

attention to the truth and come to realize that your only way back home to Heaven is not through the Roman Catholic Church but by the LORD God through repentance to Christ and acceptance of Him as your redeemer.

We will examine the architecture of the Vatican Sea as well as a complete review of scripture and history of the church system to bring forth the truth with receipts. We ask that you take this journey with us as we lay out the truth for all to see.
