MATRIX – THE SYSTEMS OF THE MATRIX

When I sat down to lay out the pieces of teachings we would need to cover regarding the subject of the matrix, I laid it out in a process flow or sequencing of events one after another. But when I prayed over this flow, I was told to not do it that way. I was told to lay the foundation of the Matrix out, which we have done in the Matrix - The History of the Matrix document, and then skip the final two points of the creation process - the formation of humanity and its disobedience, and move into the actual discussion on the systems, then come back at the end and finish the subject with the formation of humanity and its disobedience so that you can gain a total understanding of WHAT WE ARE. These two last points of creation are contained in the two documents titled Creation – The Transition of WHO WE ARE TO WHAT WE ARE and Creation – The Fallen State of Man/WHAT WE ARE.

In order to follow God's instructions and start this discussion we need to lay some more foundation.

You cannot study history, your native language, science or any other subject if you do not study it from a biblical context. To do so would be misinforming yourself with lies. The only historical book containing all truth is the Bible and its missing books taken out by Constantine and his homosexual lover Pope Sylvester in 325 AD and then again, the Vatican in 1666. Every book no matter whether the subject you are studying in school, in church or your own contains counterfeit truths of lucifer himself. We must completely be reprogrammed to understand WHO WE ARE, WHAT WE ARE and the systems we live in.

Hosea 4:6 "My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children."

2 Timothy 2:15 "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

So, all historical documents presented for your education will be done through the lens of the scripture. At the end of these all the subject documents you will see how our entire history should be built on the biblical subjects of the bible and not on the perceptions of man.

God, I ask that, you once again, use me as a vessel of truth for your teachings. I ask that you remove from the mindsets of the readers all negative or dark influences so that a proper inner-standing and understanding can be achieved. I ask that you aid me with dates and events in history as we move throughout your scripture in a study of the systems contained within the matrix. Allow my thoughts and the words I use in this teaching be from your wisdom and insight.

OK, let's get going.

We are going to begin with the beginning in the Book of the Beginnings called Genesis. Genesis is the genetic code of God and His creation. Therefore, we can look at the book of Genesis as being the gene information from God to describe to mankind that all creation was made directly from God's DNA and in doing so, we are His direct family.

Since the creation of the matrix and the fall of Adam, the world system we have lived in for thousands of years was developed outside the confines of God. What do we mean? Every book you have read, every teaching you have received, every action you have seen or done, every word you have spoken, or heard have come from a developed system controlled by lucifer. The only truth is contained within the bible itself. So before we can understand the teachings, we are embarking on we must understand the spiritual and physical makeup of understanding.

There is a difference between the mind of God residing inside of us, consciousness and the physical brain we have come to understand as the control mechanism of our entire life. In our original state, we had no consciousness and physical brain. The mind of God was our entire control system within our original spiritual state. We understood one language and experienced everything through the filter of God. In our fallen state, we were given a consciousness and a physical brain. As we have provided before, the heart-brain is the mind of God - Hebrews 10:16 "This *is* the covenant that I will make with them after those days, saith the Lord, I will put my laws into their hearts, and in their minds will I write them;"

It is the heart-brain through our DNA and RNA messengers that send the communication to the physical brain as to what needs to be communicated with our entire body to function in accordance with God's design. It is only when these messages received by our physical brain get changed or altered that our physical body becomes sick.

The physical brain is influenced by what we have stored in it through the books we read, what we hear and see called consciousness.

Lucifer knew this and instead of using the only true language - the language of God - he created 9,000 + languages, 13,000 + dialects and over 33,000 accents. His system continues to add new words all the time in order to keep us in chaos. Do you know that as humans we will speak about 845 million words in a lifetime? This is more words than the 20 volumes of the Oxford English dictionary. So we cannot take one language, that of English, and think we understand what we need as truth. It is imperative that we understand words have meanings and in using those words the conditions by which they were originally developed is what is experienced in life no matter what they may now have as the definition in your own language. Ninety-five (95%) percent of all words we use in the English language were developed around a curse.

Philippians 2:5-11 "5 Let this mind [the mind of God control your physical brain] be in you, which was also in Christ Jesus: 6 Who, being in the form of God, thought it not robbery to be equal with God: 7 But made himself of no reputation, and took upon him the form of a servant, and was made in the likeness of men: 8 And being found in fashion as a man, he humbled himself, and became obedient unto death, even the death of the cross. 9 Wherefore God also hath highly exalted him, and given him a name which is above every name: 10 That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; 11 And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father."

Proverbs 23:7 "For as he thinketh in his heart, so is he: Eat and drink, saith he to thee; but his heart is not with thee."

Romans 1:27-29 "27 And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet. 28 And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient; 29 Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers,"

So, it is extremely important when you read words in the scriptures that you go back and understand the original text and the meaning of the original text because Constantine and Pope Sylvester changed

theology in changing words in the translation to the English bible. It is only studying in this manner that we can understand how God thinks. It was God's thinking that He gave the scriptures to mankind and in those words we have to understand what God was thinking then and how He is thinking now in order to live in-spirit.

Let's move into the subject.

The book titled Genesis signifies the gene of God which we call the God particle. So the book of Genesis is both the DNA of God and the RNA of His thinking (His messaging to those who read).

The Bible contains 66 books which we call the Canon representing the word of God. Prior to 325 AD at the Nicaea Counsel in present day Nicaea, Turkey, Constantine, who was of Karazhan blood, sent out a global decree to the 365 Catholic Bishops to attend this meeting from which only 325 attended. This decree was to have the Bishops both translate and transliterate the origin text into what we know now as the Bible. In this process, they took out 45 books of the original texts. The original text consisting of 111 was the schematical blueprint of God's thinking. So the elimination of the 45 books took 45 degrees of God's thought from humanity. Now the 66 books remaining are enough to provide humanity with the understanding of Christ and salvation and the teachings of the discipline of Christology.

We have provided in previous educational posts that the name of Christ is Yeshua Hamashiach and not Jesus. In the original text there is no letter "J" in the Hebrew, Greek or Latin alphabet. The letter "J" we see in the New Testament translation did not come into fruition until 500 hundred years ago in the year 1520. This is important because this is another change in language by the luciferian chaos system to confuse us from having the correct relationship with the ONE TRUE GOD! Exodus 20:1-6 "And God spake all these words, saying, 2 I am the Lord thy God, which have brought thee out of the land of Egypt, out of the house of bondage. 3 Thou shalt have no other gods before me. 4 Thou shalt not make unto thee any graven image, or any likeness of any thing {NAME} that is in heaven above, or that is in the earth beneath, or that is in the water under the earth.5 Thou shalt not bow down thyself to them, nor serve them: for I the Lord thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me; 6 And shewing mercy unto thousands of them that love me, and keep my commandments."

The correct Hebrew name of Christ is Yeshua Hamashiach. If you look at the palm of your hand you will see the letter "Y" going across your hand from the fist finger to the wrist and from your pinkie finger to

your wrist. In fact, each cell within the human body has God's code stamped into its makeup. We discussed this coding in the DNA discussion about the connect between God and man.

Going back to the tabernacle build by Moses we find that it was composed of three dimensions which we call today a trichotomy. The dimensions included an outer court, an inner court, and the most holy place called the holy of holies. Our bodies and the positioning of the two systems within the physical body represent a tabernacle. We have an outer court - the physical body, an inner court - the soul, and a holy place - the spirit of God. So we with our bodies represent the outer court of the tabernacle. So we with our inner court represent the soul. And we with our holy place represent the spirit of God. GO the tabernacle which became the temple which became the synagogue which became the body which became the church, or the assembly of God's people called ecclesia.

So we as humans are a trichotomy. Our body the outer court holds both the soul - inner court and our holy place - the spirit of God.

We have provided in previous educational posts that the human physical brain is not the mind. The heart-brain is the host of the mind of God. In addition, the human brain is NOT consciousness. The human brain was not part of our original design but was provided to us in our fallen state. The human brain is the outer court - the housing. Our consciousness is the inner court which is housed inside the outer court housing (tabernacle or temple) we call the physical brain. The mind of God, not the physical brain, is the heart-brain the sends the communication to the physical brain to control the body. This mind of God was revealed to us by Christ in the New Testament in Matthew 6:21 "For where your treasure is, there will your heart be also." Philippians 2:5 "Let this mind be in you, which was also in Christ Jesus:" This is NOT our consciousness or the physical brain, but the mind of God as written in our heart - the heart-brain.

We are therefore a composition of spirit, soul and body.

The first and last letter's of Adam is "A" and "M". God made Adam for the AM or morning. Remember we spoke about God's replacement of lucifer with Adam for the morning in a previous post. Adam's wife Eve was formed for the PM or evening. God did not ordain Adam to marry another Adam or an Eve to marry another Eve. They complete the composition of God as covering the morning and the evening. That is more confusion provided by lucifer to enhance his system of chaos.

Continuing. There are three different types of wisdom within the Apostolic System of Order associated with our trichotomy. The outer court (the body) represents natural (nature) wisdom. The inner court or the soul represents spiritual wisdom. The holy place (the heart-brain Mind of God - spirit) represents the hidden wisdom of God from the very first thought of God in Genesis 1:1. Hebrews 10:16 "This is the covenant that I will make with them after those days, saith the Lord, I will put my laws into their hearts, and in their minds will I write them;"

Genesis 1:1 "In the beginning God created the heaven and the earth." This verse in the KJV contains ten words. We find that in the entire Chapter 1 of Genesis God used the words "And God Said" or "God said DNA..." So what we have is that the DNA of God said ... ten times. There are ten heavens, we have ten fingers and ten toes. This tells us that we are meticulously design in accordance with the internal mind of God in Genesis Chapter 1.

We also find seven times in Genesis Chapter 1 it says, "And God Saw" of "God's DNA Was". Ten times God said, and seven times God saw is 17. Seventeen is a number in accordance with Jewish gematria insight is a number of spirit and order. What we find here then is God is the first prophet (AND GOD SAID) and God is the first seer (AND GOD SAW). For purposes of understand scripture every seer is a prophet but not every prophet a seer.

When we look at the Old Testament not only does it mean Covenant, but it is a test-a-ment. This takes us then to testing of the seven dispensations. The seven dispensations are:

1. Innocence
2. Consciousness
3. Human Government
4. Promise
5. Law
6. Grace
7. The Coming of Christ

When we look at Genesis Chapter 1 for Apostolic Order, we find the number 17 (AND GOD SAID - AND GOD SAW) that the number seventeen links to the 12 minor books of of the prophets in the New Testament and the 5 major books of prophets in the Old Testament or Covenant.

Let's unravel this code again. The numbers 12 and 5 now being 125 is the number of generations from the formation and fall of Adam to October 2021 not only representing the dispensation we call grace but the time period we call the third Adam. What is the third Adam? Glad you asked.

I published in a previous document that the time period we are in is the third Adam. We find the third Adam in Ephesians 4:11. It states, "And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers;" This my friends is God's Apostolic Government here on the fallen earth - the World. Let's look at this.

We know that the wife of Christ is the church. Ephesians 5:25-27 "25 Husbands, love your wives, even as Christ also loved the church, and gave himself for it; 26 That he might sanctify and cleanse it with the washing of water by the word, 27 That he might present it to himself a glorious church, not having spot, or wrinkle, or any such thing; but that it should be holy and without blemish." Revelation 21:2 "And I John saw the holy city, new Jerusalem, coming down from God out of heaven, prepared as a bride adorned for her husband."

So we know that Christ is the bridegroom, and the church is the bride then there must be a third Adam which represents today the New Testament Apostolic Government of Ephesians 4:11. We find that "And He gave some" or the "DNA of God gave some" represents God ordaining His Apostolic Government on this world as part of the New Testament Covenant that has yet to be fulfilled. This third Adam or Apostolic Government represents Christian leadership in the global body of Christ.

What we have is that from the beginning of time with the fall of Adam to October 2021 is 125 generations. And God Said - ten times in Genesis Chapter 1 with And God Saw - five times in Genesis Chapter 1 - equaling 17. We have 12 minor prophetic books and 5 major prophetic books also equaling 17 with the 12 and 5 totaling 125 or the 125 generations from the fall of Adam until now.

In the gospels in John 9 Christ met a blind man. John 9:6-11 "6 When he had thus spoken, he spat on the ground, and made clay of the spittle, and he anointed the eyes of the blind man with the clay, 7 And said unto him, Go, wash in the pool of Siloam, (which is by interpretation, Sent.) He went his way therefore, and washed, and came seeing. 8 The neighbours therefore, and they which before had seen him that he was blind, said, Is not this he that sat and begged? 9 Some said, This is he: others said, He is like him: but he said, I am he. 10 Therefore said they unto him, How were thine eyes opened? 11 He answered and

said, A man that is called Jesus made clay, and anointed mine eyes, and said unto me, Go to the pool of Siloam, and wash: and I went and washed, and I received sight."

Pastors today talk of this being one of the miracles of Christ which it was but they fail to tell us what in truth it says. This is not about healing a man's physical blindness. This about Christ open the spiritual eyes so that the physical eyes could now see. Again we, in our original design are spiritual (celestial), contained in a terrestrial body (the physical).

So what did Christ do here. Christ took dust from the ground (the substance used to form Adam - Genesis 2:7 "And the Lord God formed man of the dust of the ground and breathed into his nostrils the breath of life; and man became a living soul.") and He (the second formed Adam) spat (Christ anointing) on it (the essence of the first Adam) creating clay and begins to anoint the eyes of the blind man. The clay covers the physical eyes, but the anointing covers the spiritual eyes.

Why would the scriptures tell of His spat on the dust? In the medical field, a considerable number of medical scientists have been teaching for many years that our saliva is one of the most purest parts of the body. So walk with me here a moment.

Let's conclude the meaning of this passage. Christ knelt and took dust (the essence of the first formed Adam) and spat on it (the anointing of the second formed Adam) and anointed the eyes of the third Adam preparing him for ministry (the Apostolic Government in Ephesians 4:11) by opening the blind man's eye of understanding.

This is the period today where the Apostolic Government of God is being formed. Thus bringing into fruition God's taken back or awakening His people's eternal mind of God Apostolic System of Order.

You can now begin to visualize that **WHAT WE ARE** is **THE MATRIX**. Now let me add another component here for your thoughts. It is our thoughts that govern who and what we are. So, therefore, the matrix is the condition by which we think! What we think depends on which system you are using. But every condition that exists in the physical life experience is based upon a single thought and the words we use to create that single thought.

In our fallen state, every human born in this world is automatically a part of the matrix - because of our fall. It is only through our thoughts and through our election of thoughts through the choice of freewill

that determines which eternity we choose to move into. Every condition that exists in the physical life experience is based upon a single thought and the words we use to create that single thought. Scriptures gives us two examples, Enoch and Elijah, who were able to completely remove from their physical self all the contamination of lucifer to a state of spirit and in that state, God rapture them.

It is through thought that we direct our physical mind as to what the physical body and its fallen state of being will become. When we shift our thinking to that of God based upon scripture, we become what we think and also, we attract to us more and more of what we think. So determine the role which one will play in the systems of the matrix is all based upon a single thought. In order to know which thought one must have in which situation it takes knowledge. And it is that knowledge that we are providing these teachings.

Before the fall of Adam when he was in spiritual form he had no physical body with any body parts, fluids or senses. He experienced his spiritual being through the mind of God which resided in his spiritual formed being. So he had no physical mind-brain. It was not until after Adam had transgressed that God had to make the decision to continue with His creation or destroy it and start over or not. God's choice, because He already had made that choice as seen in His creation through scripture and as identified in text within the First Book of Adam and Eve, was going to be continuing with His creation. Therefore, Adam transgressed fallen state was moved from the spiritual being to a physical being as told to us in 1 Corinthians 15:40 "There are also celestial bodies, and bodies terrestrial: but the glory of the celestial is one, and the glory of the terrestrial is another."

So, Adam, in the spiritual being (celestial), had all of his spiritual senses open and no physical senses were present. Therefore, he only had spiritual eyes and no physical eyes. After transgression, Adam, in the physical being (terrestrial), his spiritual eyes were closed, and he then had physical eyes which were blinded to that which he could see as a spiritual being. He had changed.

Chapter IV - Adam mourns over the changed conditions. Adam and Eve enter the Cave of Treasures.

8 And Adam said to Eve, "Look at your eyes, and at mine, which before beheld angels praising in heaven; and they too, without ceasing. 9 But now we do not see as we did; our eyes have become of flesh; they cannot see like they used to see before. 10 Adam said again to Eve, "What is our body today, compared to what it was in former days, when we lived in the garden?"

Jesus tells us two things we need to take with us from this point.

1. Philippians 2:5 "Let this mind be in you, which was also in Christ Jesus:" The mind of God directing the path.
2. Matthew 6:22-23 "22 The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light. 23 But if thine eye be evil, thy whole body shall be full of darkness. If therefore the light that is in thee be darkness, how great is that darkness!" He tells us that our light (our spiritual being mind of God) is the eye (God's mind).

You should now understand that that you control every aspect of your life by choosing which mind is governing your life.

Let's continue.

So why did Christ come? He came to reverse the process. He came to show us what, how, where and why of closing the physical eyes and opening the spiritual eyes so that we could become like Enoch and Elijah in achieving a state of spiritual being. He came to fulfill the amendment to the Edenic Covenant God made at the fall of Adam. Matthew 5:17-20 "17 Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil. 18 For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled. 19 Whosoever therefore shall break one of these least commandments, and shall teach men so, he shall be called the least in the kingdom of heaven: but whosoever shall do and teach them, the same shall be called great in the kingdom of heaven."

Matthew 7:7 "**Ask**, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you:" Who and what is the it?

The first letter of Old Testament in Genesis is "I". Matthew 6:22 "The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light".

Let's stop here for a moment and look at some history.

In 325AD Constantine and Pope Sylvester Held the Nicaea Counsel meeting in Turkey. Why did these two men and 325 Bishops so afraid of the word mind throughout scriptures that they replaced this word

with heart. (I feel light bulbs going off. Yes, the heart was placed into the scriptures by Constantine and Pope Sylvester replacing mind.) In addition, why did they remove 45 books from the original canon?

The first letter of Old Testament in Genesis is "I". Matthew 6:22 "The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light". The letter "I" is the ninth letter of the western world English alphabet. Let's relate some things as well here.

How many months do you mothers carry your baby in your womb before birth - 9 months. You carried that baby in your womb in a natal position (looks like a 6) for that nine months until it turned placing the **crown of its head** in the birth canal (the birthing position looks like a 9).

In Isaiah **9:6** "For **unto us a child is born, unto us a son is given**: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace."

In our celestial state of being God was our mind and controlled our complete spiritual experience. God housed Himself inside our physical body, as we have learned our metabolic state is light and that the time of the day, we emit the most energy is the hours between 9 AM and 3 PM. This is the same time of the day that Christ was on the cross. 9 times 3 equals 27. There are 27 books in the New Testament. If you invert the 9 and 3 to 3 and 9 you get the number 39 being the number of books in the Old Testament. THERE ARE NO COINCIDENCES!

What did Christ carry to Mt. Calvary on His shoulder? He carried a cross. So the government is His cross. Think about this. In Part 1 we identified that where we are in this whole matrix is the crossroads (transitioning) to God's Apostolic Government on this world as identified in Ephesians 4:11.

The cross has five points. The ends of each timber and the point where the two timbers connect - representing the five offices of God's Apostolic leadership in Ephesians 4:11 "And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers;" All of these offices which also represents the third Adam of Apostolic leadership represent the five points of the cross. So the government of Christ is His cross. So, when Christ commands us to take up our cross and follow Him what is He saying to us? He is commanding us to take up our government. This government is the government God has given to us and the abilities He has given us with dominion. In other words, we have been called to take up an office in God's Apostolic leadership and move that into the government of the

land for which God says He would heal our lands. 2 Chronicles 7:14 "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

The first letter of the of the New Testament in Matthew is "T". How does this relate to Matthew 7:7 "it"? Did not Christ tell us in Matthew 4:4 "But he answered and said, It is written, Man shall not live by bread alone, but by every word [or letter] that proceedeth out of the mouth of God."

What it is telling us is that the it inside of us is the written word of God - HIS THOUGHTS! Hebrews 10:16-26 "16 This is the covenant that I will make with them after those days, saith the Lord, I will put my laws into their hearts, and in their minds will I write them; 17 And their sins and iniquities will I remember no more. 18 Now where remission of these is, there is no more offering for sin. 19 Having therefore, brethren, boldness to enter into the holiest by the blood of Jesus, 20 By a new and living way, which he hath consecrated for us, through the veil, that is to say, his flesh; 21 And having an high priest over the house of God; 22 Let us draw near with a true heart in full assurance of faith, having our hearts sprinkled from an evil conscience, and our bodies washed with pure water. 23 Let us hold fast the profession of our faith without wavering; (for he is faithful that promised;) 24 And let us consider one another to provoke unto love and to good works: 25 Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching. 26 For if we sin wilfully after that we have received the knowledge of the truth, there remaineth no more sacrifice for sins,"

According to a recent article published in 2013 in the "Annals of Human Biology" by an international team of researchers, they estimated that the human body consists of some **37.2 trillion cells**. The original King James version not the revised King James version of the bible has 37.2 billion points of a letter. A point of a letter is at the end points or points of connection which is called pointology. For example, the letter "A" has five points, the letter "C" has two points, the letter "D" has three points and the letter "E" has six points. So there are in the 66 books of the bible 37.2 billion points of letters. Each book represents a language of God with every chapter in each book representing the dialect of God and every verse represents an ancient of God - the algorithm identifying the way God thinks. So, the 37.2 trillion cells contained in the physical human body representing a letter of the eternal mind of God. GO back to the previous post above God's Protection of Humanity. This is the reason we all have value!

Let's continue.

Why did the devil in Matthew Chapter 4 come and tempt Christ?

Matthew 4:1-11 "Then was Jesus led up of the Spirit into the wilderness to be tempted of the devil. 2 And when he had fasted forty days and forty nights, he was afterward an hungred. 3 And when the tempter came to him, he said, If thou be the Son of God, command that these stones be made bread. 4 But he answered and said, It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God. 5 Then the devil taketh him up into the holy city, and setteth him on a pinnacle of the temple, 6 And saith unto him, If thou be the Son of God, cast thyself down: for it is written, He shall give his angels charge concerning thee: and in their hands they shall bear thee up, lest at any time thou dash thy foot against a stone. 7 Jesus said unto him, It is written again, Thou shalt not tempt the Lord thy God. 8 Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them; 9 And saith unto him, All these things will I give thee, if thou wilt fall down and worship me. 10 Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve. 11 Then the devil leaveth him, and, behold, angels came and ministered unto him."

When we look at verse 2 we find that the words "... he was afterward an hungred." it did not say He was hungry. It said He was hungred. Breaking this word down we split the word into its two parts "hung" and "red". We find that hung represents Christ hung on the cross and red was the color of His blood. When we continue into verse 3 we find it states that the devil told Christ "And when the tempter came to him, he said, If thou be the Son of God, command that these stones be made bread." Notice the word tempter. The first four letters of the word tempter is temp so we know that whatever the devil throws at us in the matrix of life it is only temporary. Whatever suffering, heartache or illness is only temporary. It is not eternal. Not lets go to the phrase "these stones". Why did devil select only those stones and not all stones? On a side note here this is the first time in scripture that the devil (lucifer alter ego) is revealed. It is because the devil had infected the stones with a curse that if they were changed to bread and Christ ate them then the devil would have accomplished his third goal of infecting Christ the Son of God. The devil had preselected the stones, place a curse of them and had them ready to use in his temptation.

I want to go to Matthew 3:7-10 which states "7 But when he saw many of the Pharisees and Sadducees come to his baptism, he said unto them, O generation of vipers, who hath warned you to flee from the wrath to come? 8 Bring forth therefore fruits meet for repentance: 9 And think not to say within yourselves, We have Abraham to our father: for I say unto you, that God is able of these stones to raise up

children unto Abraham. 10 And now also the axe is laid unto the root of the trees: therefore every tree which bringeth not forth good fruit is hewn down, and cast into the fire." Christ is talking through the Pharisees and Sadducees to lucifer. This is the first supper of lucifer. lucifer is a body (Pharisees and Sadducees) that houses his character we call a snake or serpent, that through his character creates a spirit of species (O generation of vipers). This is a reflection of history back to the lucifer approaching Eve in the Garden which was his first supper to infect Eve then Adam with his venom called blood providing then the physical mind to be open to the Knowledge of Good and Evil!

Did you know that there are over 3,000+ different species of snakes upon this earth? Did you know that a snake bite's venom is a protein? Think about that as you ponder the jab!

So, when Christ had His last supper in Matthew 26:17-30 He destroyed the first supper of lucifer in Matthew 3:7. Can you see how the two systems in this matrix is where the war is taking place? Again whatever Christ has in truth lucifer has a counterfeit truth.

Let's continue.

When you study the scriptures you need to seek out all the things scriptures are telling you because it is in that connections of all scriptures that you find peace in knowing that you are studying the truth. Let me give you another example of Apostolic System of Order. The number 120 in Jewish gematria represents a divinely appointed time of waiting. After God saw how sinful and [dedicated to evil](#) man had become after the garden of Eden, he determined a one hundred and twenty year period would be given for repentance and then the flood waters would come (Genesis 6:1 - 3).

The meaning of the number 120 is seen in its Exodus role when Israel left Egyptian bondage. Scripture states that the Israelites who left Egypt had 600,000 men (Exodus 12:37). When the Egyptians heard about their former slaves leaving the country they complained to Pharaoh, who then amassed 600 chariots to pursue the children of Israel (14:5 - 7). 600,000 is 120 times 5,000 and 600 is 120 times 5.

We also find 120 playing a part in the Book of Revelation. In the end time, God will save 12,000 from each of the tribes of Israel for 144,000 (120 x 1,200) total (Revelation 7).

Appearances of the number one-hundred twenty

After Jesus' resurrection and ascension to heaven, 120 disciples that were gathered in Jerusalem chose a successor to Judas Iscariot (who committed suicide) to be among the special eleven disciples who were witnesses of Christ's entire ministry (Acts 1:14 - 26).

How is the number 120 related to captivity?

One hundred and twenty is a factor in the number of Kingdom of Judah captives who returned to Jerusalem and the land of Palestine from Babylon. According to the book of Ezra, 42,360 captives (120 x 353) came back to resettle the land (Ezra 2:1, 64).

Additional info on the Biblical Meaning of 120.

When Ezra the prophet came back from Babylonian captivity, He determined that the only way he could keep the knowledge of God active for the Jews was to have copies of the Scriptures. These copies would be sent to every synagogue in the world.

In order to do this he first had to collect all the manuscripts purported to be inspired. He then had to determine which ones actually were inspired by God, edit them, correct any mistakes, arrange them in a proper order and so on. To aid him in this monumental task Ezra decided to create what is known as the Great Synagogue (or Great Assembly).

The Great Synagogue, with Ezra as the leader, was a group of 120 Jewish elders who led the effort to officially collect and edit the writings that would become what we call the Old Testament.

Christ washed ten pair of feet with ten toes - 120.

There were 120 priests to submit Solomon temple to God.

There were 120 people in the upper room.

There are no coincidences, and the bible is a code!

This is a good place to stop this post. This is a good break we can use to Segway into the next post later. So, we have reviewed a great deal of scripture and some events to give you a perspective of the Apostolic

System of Order. Isn't it ironic that such a orderly system has its basis of God's thinking in code! May this help you in that understanding. I leave you with this for your thoughts. Matthew 7-13-14 "13 Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: 14 Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it."

Matthew 7:7 "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you:"

It is you that has to identify your part to play in the matrix. The programming, which, many of you have yet to correct, is the wide gate. Until you find you the narrow way will be closed. Everything you have every been taught is a lie!

We have completed in the above a brief review of the Apostolic System of Order. There is much more that should be studied to completely understand God's Apostolic System of Order. You should not stop here. In fact, if you do stop, you are not concerned about yourself, your family or those you have any influence over. You have chosen the wide gate and will fail at the narrow gate of you finding you - the God inside of you.

There is a process by which God requires that we move through the word of God to complete our inner-standing for understanding, understand our individual anointing from God, accept the office by which we are begin called for and movement from the luciferian matrix of chaos to light. We could continue to walk through the scriptures and bring all the points out but God is leading me to leave that to you so you can determine your own way.

I am being directed to move into a discussion of the luciferian matrix system of chaos so that you can obtain the initial level of inner-standing or understanding of the other system in this matrix world we live in. In order to establish the foundation we must go back to the beginning. We will only touch on this subject of the beginning of the luciferian matrix system of chaos to be able to study it in depth at the end of all these teachings as God has told me to do.

God, I ask you to work through me providing me the thoughts you wish to cover in these next few discussions of the luciferian matrix system of chaos so that we can gain knowledge from your thoughts. As I move through some history beginning here you make sure that the dates and events are truthfully

stated and help me not to forget those details. I ask that you continue to shield me and those that read these teaching pieces from any negative influences over our mind of you Lord and show us where and how to access your hidden wisdom within us.

OK let's get started.

The church and all the education system, being part of the luciferian system of chaos, have been placed into operation to allow us to understand who God is but not teach us how to have a relationship with God. See lucifer allows everyone to know who God is but places all roadblocks in life to NOT have a relationship with God. They bring us to the edge of the water to see it but do not tell us how to drink.

Our failure and even often our demise results from the fact that we simply do not know who God IS. It is our church pulpit and educational system that take the present tense of IS and make it WAS. They teach us of past and not present which places in our knowledge that we cannot have a present day relationship with God.

Hosea 4:6 "My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children."

2 Timothy 2:15 "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

Why is it that we have not been taught that ALL religion (re legion) came from the Catholic Church? Why is it that every religion has a state chapter or national fraternity they belong to - Southern Baptist Convention, The United Methodist Church, Catholic Church with head office being the Vatican, etc. etc. Why is it that over 99.9% of all churches were formed inside a corporate structure? Why is it that almost all pastors of every church in the world have been issued a degree of pastor-hood from a seminary (cemetery) school? Why is it that the church members have been taught that the church is the provider of spiritual leadership instead of teaching us how to be spiritual leadership as the scripture teaches? Why is the make-up of the church made up with the pastor being the head of the church and elected by its members as the CEO of the corporation with a board of directors being the deacons which is completely opposite of what the bible states as the make-up of the church? Yes, the scripture speaks of church

leadership that has been inverted inside today's church because the definition of church has been perverted into us thinking that the church is NOT us.

We are given God's Apostolic System of Order for the church (the body of Christ - Us) in Ephesians 4:11 "And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers;" The foundation of Christ church (us) is based upon a foundation provided by Anointed Apostles. The current day instruction of what God is thinking is provided by the prophets (all seers are prophets but not all prophets are seers). However, the current day religion teaches that the Apostles stopped at the death of St. John. Please go do research and tell everyone here where in the scripture this is so? Instead of doing our own research in inner-standing and understanding every God's word we have left our learning up to the luciferian system of chaos to direct us as to our learning.

The first letter of the Old Testament scriptures in Genesis 1:1 is "I" and the first letter of the New Testament scriptures in Matthew 1:1 is "T". It is written It is finished. God is the it. Matthew 4:4 "But he answered and said, It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God." Matthew 7:7 "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you:" Who and what is the it?

So, let me ask a question. How many can actual state that they live by a personal understanding of every word that proceedeth out of the mouth of God? I wonder who would know if God even talked to them instead of taking all their spiritual influence from a man or woman standing behind a pulpit (definition as pulling a person out of the pit).

When we take the first letter of God's word being the "I" and the last letter of God's word being the "N" we find that God being the Alpha and Omega (the first and last) is the word "IN" which is the first word of God's scriptures in Genesis 1:1. So God was not there at the beginning God is the beginning.

If you take the letter "I" in the western alphabet we find it is in the space number 9. If you take the letter "N" in the western alphabet we find it is in the space number 14. If you add 9+14 it equals 23. We have 23 chromosomes from the mother and father for a total of 46. If you go to Genesis 3 and count the words spoken by lucifer to the woman you will find it was 46 words. God's word is a book of code. No one is teaching you God's code? Why is that?

We are also told in John 2:20 the Karazians told Christ "Then said the Jews, Forty and six years was this temple in building, and wilt thou rear it up in three days?"

Do you know of the word Tetragrammaton? Tetragrammaton is broken down as tetra (four) and grammaton (letters). Sounds like something from a science fiction movie, doesn't it? Maybe a high-tech computer program. Or a powerful ray gun.

Well, it is powerful. But it's not space age. Instead, the Tetragrammaton has been around at least 2,500 years.

On June 29, the Vatican Congregation for Divine Worship and the Sacraments informed U.S. bishops that use of the name "Yahweh" is to be avoided in liturgical settings. The Vatican said that it was respectful of Jewish teaching and sensibilities, and in keeping with Christian tradition "that the sacred Tetragrammaton was never pronounced in the Christian context nor translated into any of the languages into which the Bible was translated."

The sacred Tetragrammaton is God's name.

"Yahweh" is spoken word that comes from "the four letters" (Tetragrammaton) — YHWH — which are the four consonants of the ancient Hebrew language that represent the divine name of God given to Moses on Mount Sinai (Ex 3:14).

The Tetragrammaton has been variously translated as "I am Who am" or "I am Who I am." It is difficult to translate because it consists of various tenses of the Hebrew verb "to be." (In some ways, it also translates as "who will, is and who has been.")

Ancient Hebrews were forbidden to take God's name lightly. And they — as do devout Jews to this day — took that very seriously. Not only did they call it the "ineffable name" and the "unutterable name," the Book of the Law says, "whoever blasphemes the name of the Lord shall be put to death (by stoning)" (Lev 24:16). As Pope Benedict XVI notes in his book, "Jesus of Nazareth," the answer to Moses "is a name and a non-name at one and the same time. The Israelites were perfectly right in refusing to utter this self-designation of God, expressed in the word YHWH, so as to avoid degrading it to the level of names of pagan deities."

While the Tetragrammaton was not pronounced — except in a religious context — it occurs often in Hebrew scriptures. Scholars differ on how many times the name appears, since it shows up in various forms, but they agree that it is found well over 6,000 times in the Old Testament. Other words were substituted to be spoken aloud whenever YHWH appears in the writings. These included *Elohim* and *Adonai*. “Yah” also represents God’s name, since it is the first consonant of the Tetragrammaton. “Yah” appears most often in the Psalms, especially as Halle-lu-yah, or “Praise to you, YHWH.”

Biblical scholars say that, as the scriptural traditions developed, the Tetragrammaton in any form, was used less often and was replaced by the substitutes like *Adonai* and *Elohim*. (Both are titles and not names.) It seems that the titles substituted for the Tetragrammaton became very common after the destruction of the Temple and the Babylonian Exile in the sixth century B.C.

By the time of Jesus, the name “Yahweh” was never used by the average Jewish person in any settings and so filled with sacred power that it was spoken aloud only once a year. On the Day of Atonement, inside the Temple in the presence of the Holy of Holies, the High Priest would invoke the name and sprinkle blood upon the mercy seat to atone for sins.

When the Hebrew scriptures were first written down — in Greek in the third to the first centuries B.C. — the substitution titles were used. Thus the Hebrew *Adonai* became the Greek *Kyrios*. This habit continued when the Gospels were first written — again in Greek. When the Scriptures were translated into Latin in the fifth century, *Kyrios* became *Dominus*. In English, we use “Lord.”

If you look at the first five books of the bible you find the first volume is Genesis (G) and the last volume is Deuteronomy (D). The G_D is the acronym of God's name. This is what was used by the ancient people to pay the respect to God. Why is it the true Jewish people today still practice this and all other religions do not?

The first five books in the bible are called the Torah - God's law given to Moses. These five books are the New Testament Torah unrevealed. The New Testament books of Matthew, Mark, Luke, John and Acts are the new Testament Torah being the Old Testament Torah revealed. Matthew 5:17 "Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil."

We call the first five books of the Old Testament the "Pentateuch". *Pentateuch* means simply "five

books". In Greek, the Pentateuch (which Jews call the Torah) includes the books of Genesis, Exodus, Leviticus, Numbers, and Deuteronomy. So The New Testament first five books brings us the Pentateuch while the first five books of the New Testament brings us the Holy Spirit through Pentecost. So we can say then that the Penitatuetch is Pentecost unrevealed and Pentecost is the Penitatuetch reveled.

We have stated in previous post that their have been 125 generations since Adam's fall beginning of time to October 2021. From Adman to Abraham was 33 generations. Christ lived for 33 and 1/2 years and Abraham was the father of the people. From Abraham to Christ was 42 generations and from Christ to October 2021 is 50 years. 50 represents rabbinically means in gematria of the Hebrew letter ך The **50th year of the land**, which is also a Shabbat of the land, is called "Yovel" in Hebrew, which is the origin of the Latin term "Jubilee", also meaning 50th. It means Pentecost.

I provide all the above to set the stage for the the upcoming next few posts about the details of the luciferian system of chaos because you need to understand that this system is all around you. We have been programmed to see this system as the normal. You have been programmed to not think for yourself nor go inside and understand the scriptures of God.

The Torah or first five books Old Testament was to show us who God was. The first five books of the New Testament was to take us into Christ and his name. And the remaining books of the bible were to provide us with the knowledge about the Doctrine of Christ or His Christology. It is the Doctrine of Christ that tells us how to live in total relationship with God. This is what is missing from ALL education.

1 John 4:4 "Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world."

John 14:12 "Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father."

If we believe the literal word of God we have based upon scripture the ability to do what Christ did on earth. Where have you been taught this? Better question is why haven't we been taught this?

At the very time that lucifer had the thoughts as identified in Isaiah the earth became the world, peace of God went to chaos as well, and the blood protein of lucifer had to be offset with the supernatural protein of God - Laminin. lucifer in translation of Arabic violated Eve impregnating her with his seed which later

became Cain. lucifer then in the same way violated Adam through lucifer transformation into Lilith and imprinted Adam with the seed of transgression. It is here that the two bloodlines were created. Without transgression there would not have been blood and without the violation of lucifer with both Eve and Adam they would be no contaminated blood leading into two bloodlines. The details of this part of the subject will be covered later. But what we need to cover is the bloodlines.

The bloodline of lucifer was the bloodline of both Cain and Able. Cain representing the violation with Eve and Able the violation with Adam. Once these seeds worked through the system of birth then God stated in Genesis 3:15 "And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel." What God did here was not disrupt the transgressions of Adam and Eve but provide through them an offspring that had blood but not contaminated blood of lucifer. What does this mean in today's language. The blood types of Cain and Able had RH factor of positive. The blood type of Seth had neither factor of RH. God removed the imprinting of lucifer from both Adam and Eve and allowed Adam and Eve to have a child through God's uncontaminated blood - the same as would be used for Christ.

God protected this blood line by walking as a pillar of fire by night and a cloud by day. Exodus 13:21-22 "21 And the Lord went before them by day in a pillar of a cloud, to lead them the way; and by night in a pillar of fire, to give them light; to go by day and night: 22 He took not away the pillar of the cloud by day, nor the pillar of fire by night, from before the people."

So what we have is a bloodline of Cain, after the killing of Able, creating the ruler ship of the world and the blood line of Seth as to the future of the world through our savior Christ. We learnt that in Finish language that Cain is translated as blood and Able as crypt. This is where the gang members of Blood and Crypts came from.

So, God's bloodline was fulfilled using the Apostolic System of Order. It was Cain's bloodline that established the luciferian matrix system of chaos. As we have stated in previous post all societal systems of this world was created by the luciferian matrix system of chaos. This includes the church, social government, schools, medicine, etc.

So with this foundation let's getting the basics of the luciferian matrix system of chaos in the next several posts.

In Ephesians 6:12 "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

So, I leave you with your thoughts. Why have you allowed and what are you going to correct to prevent you from living by Matthew 4:4 "But he answered and said, It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God."

We will now shift our discussion to the luciferian system of chaos and break down this system relating to events we think are just happening today; when, in fact, what we are experiencing today was created and actively implemented on the people from the very beginning. The only difference from today and then is the mutation of lucifers demons and tools used to control the world.

It is completely up to each of us to get educated to understand the world we live in and how to take back our sovereignty. Remember you cannot have sovereignty until you take back your dominion. This does not come from the government, but it comes from God.

Hosea 4:6 "My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children."

2 Timothy 2:15 "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

1 John 3:8 "He that committeth [practices] sin [all laws and statues of God] is of the devil; for the devil sinneth from the beginning. For this purpose the Son of God [Christ Himself] was manifested [come to the world as flesh], that he might destroy the works [the nature] of the devil."

Revelation 2:24 "But unto you I say, and unto the rest in Thyatira [One of the churches of Asia minor. The first three churches of Asia minor was Epheuis - E, Smyrna - S and Pergamum - P. This is where we get the current day practice of ESP. These churches were begin dominated by the use of ESP (extra sensory perception), away from God, when Paul wrote his letters to these three churches.], as many as have not this doctrine, and which have not known the depths [the sophistication of the nature or darkness] of Satan, as they speak; **I will put upon you none other burden.**"

Matthew 11:28-30 "28 Come unto me, all ye that labour and are heavy laden, and I will give you rest. 29 Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls. 30 For my yoke is easy, and **my burden is light [or lumination - exposing the truth].**"

Proverbs 9:18 "But he knoweth not that the dead *are* there; *and that* her guests *are* in the depths of hell."

The term Thyatira rabbinically means thyroid or the catholic church the Vatican system. Depths is the sophistication or compartmentalization of the nature or darkness. Will get back to Thyatira a little later but it is important to understand the depths of darkness. This has been kept secret to all of us and has never been taught, at least to me, from any pulpit or education system in this world. I wonder why? It is the depths of hell or sophistication/compartmentalization that we call the deep state.

I made mention in the previous post that the luciferian system of chaos and all its pieces allow us to have knowledge of God but prevent us from achieving the relationship with God that He intended. They (the educators) take to the edge of the water to allow us to see it but fail to teach us how to drink it. We should then now understand that we know only enough about a subject to think we are right but not enough to know when we are wrong! The deception of satan - lucifer's nature.

Let's go back to what we are. We are thought! Proverbs 23:7 "For as he thinketh in his heart, so is he: Eat and drink, saith he to thee; but his heart is not with thee." So whatever comes into your mind as a thought must be determined if that thought is provided by God before you speak it. If you speak not of God then once spoken you can never take back what you say and the destruction it makes is on you. Knowing enough about a subject to think your right but not enough to know you are wrong!

There is at the core of all human deception and control a secret society we call the illuminati. The illuminati has both a nature and character that is the deep state. So in our exposing the origin or root of this secret society we must dissect its nature and character to understand the deep state.

I have been asked on numerous occasions just how to spot those that are part of the deep state. As a general rule if you want to know who controls you (the deep state) you should look first at those in your community, your local governments, your state governments, and your federal governments for those individuals or agencies you are not allowed to criticize.

The Origin (Root) of the deep state

Genesis 1:2 "And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters."

It is here that the inception of the deep state began. In Genesis 1:3 "And God said, Let there be light: and there was light." God said let us luminate the darkness - let us bring truth. The darkness God spoke about in Genesis 1:3 is in Genesis 1:2 where the deep state was conceived.

We will examine in Genesis 1:2 the words darkness and deep. Remember we stated in an earlier post that we cannot study the scriptures without looking at all languages developed by lucifer to determine the actual meaning of each word. The word "darkness" in Persian means the state of one's being.

So when you get to the actual word meanings of the words in Genesis 1:2 you will find that we are told of the conception of the deep state.

Genesis 1:2 "And the earth [the terra firma] was without form, and void; and darkness [state of one's being] was upon the face of the deep."

This is where we get the current world term deep state. The deep state was conceived and born from this conception beginning with God telling us that it existed from the beginning of lucifer thought. So putting the above scripture texts provided we now can understand that this state of being is a system which operates in the depths [sophistication/compartmentalization] of hell.

When we combine what God is telling us in Revelation 2:28 and Proverbs 9:18 about the depths [sophistication/compartmentalization] of hell and tie it back to the darkness {state of one's being} we now understand that God is telling us that we have through the sophistication of lucifer nature and character alternative states of being of darkness or dark consciousness. Proverbs 23:7 "For as he thinketh in his heart, so is he: Eat and drink, saith he to thee; but his heart is not with thee."

The deep state, today, is a composition of 13 bloodline families that are demonically of the bloodline of the serpent in Genesis 3 that goes back to Genesis 1:2 - lucifer.

The issue we have is not knowing enough about this subject to determine how we get back our dominion

in order to obtain our sovereignty from God. In order to defeat this enemy not only do we need to know how the enemy thinks but what are its tactics of sophistication and compartmentalization. We can only defeat this enemy when we know how we out-sophisticate the enemy. We cannot just call on God to defeat the enemy and sit back and do nothing. That is not how God works. Yes, God will work through us and deal with SPECIFICS when asked and we let go so He can deal with it. Matthew 18:18 "Verily I say unto you, Whatsoever ye shall bind on earth shall be bound in heaven: and whatsoever ye shall loose on earth shall be loosed in heaven."

We cannot say God get rid of lucifer in my life. It doesn't work that way. We cannot say remove from me the demonic spirits and think God will remove all. It doesn't work that way. The scripture tells us that whatever we ask for he will do. John 14:13-14 "13 And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son. 14 If ye shall ask any thing in my name, I will do it."

When we do not ask for specifics, we will get nothing. It is in the individual asks of specific conditions of the nature and characteristics of lucifer through satan - his nature and the devil - his character that God can help us. So if we cannot identify the specifics then we are not asking God the right way for help. This requires all of us to be able to completely understand what we were told about the world we live in.

In Ephesians 6:12 "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

We cannot pour new wine into old wine skins. The wine will ruin. We cannot defeat a 21st century mutated demon with the anointing of 5th century methods. In other words, you cannot kill a 21st century demon with a 5th century musket. To kill a 21st century mutated demon requires the use of God's anointing of old (because it never changes) but the tool you use must be a 21st century tool. The technological world we live in today is an environment that allow demons to mutate through this technology to infect us more and more each day.

So here's a question - what are these tools? Why hasn't the individual in the pulpit told you about these tools or even how to use them? And here is the 60,000-dollar question - at what point will you take up your cross and do what God told us to do about the church and the government?

Our churches today are downsizing at a pace that some churches can only survive with certain level of people because the pastor and the members are at a specific level of anointment consisting of ancient

knowledge and the devil leaves them alone because the mutation of the nature and character of lucifer has moved into a different level and the level of the church does not understand where and how lucifer resides - having no effect on lucifer control of the world.

We cannot defeat a 21st century demon using the warfare methods of the 5th century.

The doctrine (if we were taught it) never changes but the tools and the methods must be the state of being at that time. if our methodologies do not change then we will not be able to engage fully in the spiritual warfare required to defeat the demonic forces taking back our dominion and obtaining then our sovereignty.

We need to understand we cannot defeat the principalities of darkness through any prism other than our self-relationship to God. This means that the prism of politics will NOT defeat the demonic. This was never the intent of God. Government was setup in scripture to actually minister to the people it serves. Therefore no one has taught us the doctrine of Christ - Christology. They lead us to the water, but we only look at it. We are not fighting against flesh and blood, and it is only there that the government can deal with - the protection of its people. We are fighting the demonic state of being called the deep state controlled by lucifer through a secret society called the illuminati. This is spiritual warfare and not physical. Now it gets physical once we have conquered the battle on the spiritual level. But until that level has been dealt with the physical cannot be dealt with - it will always come back.

The illuminati is the secret society where is nature is the deep state. Again the term deep means sophistication. There is no way we can defeat any of this demonic through any type of governmental regulations. We can only defeat this through the spiritual realm and support of Christ. And to do this requires that we are fully covered underneath the Apostolic System of Order beginning in the home, then the church and then our government. If we do not have this covering, then we are outside of God's will and whatever we ask for is not His will. In order to be in His will to obtain that which we ask for we must be under His covering. John 14:13-14 "13 And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son. 14 If ye shall ask any thing in my name, I will do it." TO be able to ask in His name you must be in His will!!!!!!!

Nothing can be dealt with in government legislation if we do not first cure the sin issue that resulted in the physical issue we are experiencing. Nor can you deal with the sin issue through the prism of politics.

There are two Great Commissions God told mankind. The one that dealt with the family to ensure the covering of God in Mark 16:15 "And he said unto them, Go ye into all the world, and preach the gospel to every creature." And the second one was to the teaching to all nations (governments) in Matthew 28:19-20 "19 Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: 20 Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen."

The position of dominion is not with the governments because the governments are made up of man. The position of dominion is the family. Until we are under the covering of God this evil we are facing today in control of this world will not be defeated. There are many instances in scripture where God came to help mankind defeat evil and then when you look further into the aftermath history you find the same evil back again. you cannot defeat evil without first defeating the sin issue individually.

The term lucifer means illuminato where we can the term illumination or illuminati. This is counterfeit light. God luminates. lucifer illuminates.

Let's now decipher the word lucifer in its two etymology interpretations. "LU" is an acronym meaning lucid or that which is sophisticated demonically. This is where we get the term deep. And "CIFER" represents counterfeit light or the state of counterfeit life. This is where we additionally get the term deep state - Lu (deep) cifer (state). So we can now see the lucifer is the deep state or sophistication of both the character and nature of darkness (lucifer). We find that the character of lucifer is satan and the nature of lucifer is the devil. Which is the personality in total of lucifer and the deep state. satan is the character of lucifer that which is deep, and the devil is the nature of lucifer being the state of being.

So, the deep state (lucifer) is both the character of satan and the nature of the devil which is the deep state. So the deep state, being demonic spirit can only be destroyed by the power of Christ. Not through a political party or a government. But through the people of God working together underneath the covering of God using His 21st century tools anointed by the Doctrine of Christ and in the spiritual realm first then the physical.

Ecclesiastes 1:9-10 "9 The thing that hath been, it is that which shall be; and that which is done is that which shall be done: and **there is no new thing under the sun.** 10 Is there any thing whereof it may be said, See, this is new? it hath been already of old time, which was before us."

Here is a thought I leave you with. What are you doing now that is different from yesterday to move you under the covering of God (Apostolic System of Order) to ensure you, your family and those generations to come to prevent curses from controlling your life?

We have covered the origination of the deep state and have tied its nature and character to lucifer and his alter egos in Genesis 1. We will now move into Genesis 3 to look at the origin and root of the illuminati.

Some foundational points.

If you are going to destroy the deep state one cannot do it through the prism of politics. Politics does not have the capacity to do this. For one to destroy the deep state it must be from the inside out then from the outside in through the supernatural of God. One must understand who and what the deep state is, its nature, its character, the compartmentalization of its activities and the sophistication of its structure. This means you must get into the mind of the deep state in order for you to begin to cut off its head.

One thing I will point out here is that when we get through the resetting of the world into a God paradigm, we will continue to have lucifer being the controller over this world. This will never change until the return of Christ. So do not sit back and think that when the people who provide this reset that everything is done. That is a lie. For us to continue to be rid of the deep state we must learn to not only think like the deep state but put on its clothing and continue to destroy it from within. Matthew 10:16 "Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves."

In previous educational posts we spoke about Tyrus. Tyrus is shown here as the alter ego of lucifer or the deep state in Ezekiel through the stones on his breast plate. The first three stones on his breast plate signifies STD. His name, when broken down into its components, we get the pharmaceutical drug Tylenols. "Ty" is to attach, and "Rus" is the Persian demon lenol. Attached to lenol.

So before time was even created it was the thought of lucifer that not only created time but created the deep state - the nature and character of lucifer.

The conception of the illuminati.

There is currently a secret society called the illuminati. However, many do not know that this is the outward front of the parent secret society called the illuminatiam. The illuminatiam are the writers of a counterfeit testament called "The First Testament of the Illuminati". Remember anything God has in truth lucifer has a counterfeit truth.

The illuminati is so compartmentalized and so sophisticated they have taken over the medical industry, the science industry, the arts industry, the finance industry, the media and printing industry, the governments, the churches through religion and many more. They have infiltrated every industry where control can be placed on society to the point, they over time they have come to have so much power to enslave all of humanity. This is where we are today.

So the illuminatiam has designed as the first testament to depopulate the world by 95%. Currently we have around 8 billion people in the world. This means that they want to kill off up to 7.5 billion people.

In Revelation 12:4 "And his tail drew the third part of the stars of heaven, and did cast them to the earth: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born." Tying this back to Genesis 3 we will establish the illuminati and its nature called the deep state.

So lucifer's two egos being satan - the character of lucifer in its demonic sophistication (deep) and the devil - the nature of lucifer in its compartmentalization of deception - the state of one's being (state). So, in review lucifer's two alter egos are the deep state which the illuminati is based upon.

The deep state began in Genesis 1:2 but the illuminati began in Genesis 3:1.

Genesis 3:1 "Now the serpent was more subtil than any beast of the field which the Lord God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden?"

There is a book called "The 66 Laws of the Illuminati: The Secrets of Success". There are 66 books in the bible. Whatever Christ has in truth lucifer has a counterfeit truth. This book contains the 66 laws of the illuminati.

OK, we are going to take a deep dive now into the illuminati.

When you look at the word serpent in Genesis 3:1 and look at all the interpretations of language regarding serpent you will find the illuminati.

Let's do a point of transition. Lucifer as the deep state takes a body of the serpent called serpentine illumination (illuminati) to present himself to the woman.

The term serpent in Persian comes from the word Kauria meaning counterfeit light or counterfeit illumination. If we break down the word into its syllables we get "ser" and "pent". "Ser" is the counterfeit form or sir. "Pent" is the counterfeit form of repentance. Serpent also means serum (venom). So now the serpent is the illuminati that has entered the church (the Garden of Eden) and infected the woman and the man with its serum (blood).

It is at this point in time that the illuminati was conceived.

So, when we look at the serpent in Genesis 3:1 we find then that the serpent becomes the body organ of Lucifer.

In previous posts, we have understood that we are spiritual beings and only took this physical body after Adam transgressed against God. We also discussed that our formed spiritual bodies had no requirement of that which we need in this physical body. We had sight through our spiritual eyes, we heard because we had the mind of God, and all of our physical senses we know today did not exist. We only had the spiritual senses. We also had no body organs as we have in the physical body. We were spirit.

So, before the fall of Adam the formed body of the male had no organ called the penis. The woman did not have a womb prior to her fall. The reason why man has this organ because it represents the symbol of what brought him down - the serpent. The serpent represents the organ of Lucifer. Organs of the physical body are only a result of our fallen state. Now pick you jaws up from the floor.

Just as a side note. When you take the term Lucifer and write it rabbinically from right to left as the Hebrew language is written you get the term Reficul. Reficul is a Latin Vulgate term meaning the recycling of fecal matter. It is funny to know that Lucifer is nothing more than shit.

In doing preparation for this post, I wondered why body parts are called organs. It is because the minstrel

(the choir director) who fell from heaven (lucifer) had pipes coming out of his body as told to us in Ezekiel 28. Ezekiel 28:13 "Thou hast been in Eden the garden of God; every precious stone was thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created." The pipes represent the organ (musically) that lucifer played in his overseeing of the inhabitants of earth before his fall. These pipes after lucifer fall represent the organ (sexual) and organs of the housed within the physical body.

It was not God's original intent that man and woman bear children as we know in this physical form. It was God's intent to replicate himself in children through a spiritual birth. Genesis 3:16 "Unto the woman he said, I will greatly multiply thy sorrow and thy conception; in sorrow thou shalt bring forth children; and thy desire shall be to thy husband, and he shall rule over thee." It was at this point God prevented spiritual birth of children.

The current day pulpits are so politically correct in their teaching that they do not teach the truth. Hosea 4:6 "My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children." They want you to stay on the plantation (another topic).

In earlier posts we provided the naming of the male and female organs from inversion from Greek gods and goddess. We must understand the What We Are in order to manage our life as to Who We Are.

Let us move on.

We see that symbol of the illuminati is the baphomet. The baphomet symbol is part male, part female and part goat. It is the statue within the satanic temple created by Lucien Greaves. As a side note we write, J.K. Rowling, of the Harry Potter series has the baphomet tattoo on her forearm.

The whole focus of the illuminati is perversion. So let's look at this a moment. The process of perversion starts with inversion. If we do not take the time to understand the detail nature and character in all of the sophistication and compartmentalization of lucifer we must understand the dark wisdom by which it operates. You cannot destroy the demons in your life if you do not understand by which it operates and have come.

To destroy these demons we have to the wisdom of Christ and the knowledge of darkness - be like wolves with hearts like doves (understanding the darkness and its wisdom). The pulpit has failed us all. We have preachers who are no more than CEO's running a business for a paycheck and not shepherds. You must get out of the corporate church and into apostolic teaching or you are a plantation (slave) dweller. We destroy the demonic system by layers through exposure. When we expose them then Christ liquidates them.

So, here is a question. Can you identify the the dark wisdom of the demonic system? Why not?

So going back to inversion. In Genesis 3:1 we find the serpent goes to the woman and speaks to her as though she is the man. How do we know this?

The serpent speaks to the woman using the words Yea and ye. This are masculine words in Hebrew. This is inversion of God's order - Christ/man/woman/children. lucifer speaks to the woman as though she is directly underneath the covering (order) of God. So we are shown the serpentine dark wisdom here. But for us, if we are going to destroy darkness, we must expose its illusion. lucifer speaking to the woman as man is the illusion. Do you get it?

Women most of your issues come from being out of order in God's authority structure. We wrote about this in detail with the first book in the God Is Government book series. Women if you think you're the head of your household you are wrong. Women if you think because you have a better job and make more money than your husband allows you to direct the affairs of the home you are wrong. Women unless you get yourselves in the right order of authority you will continue to have the portal of hell open in your lives for all kinds of demonic issues. These do not only affect you but your family and your children for generations to come.

Men, if you don't step up and be the Godly man as God intended for you then you have cursed your family. You have opened the portals of hell in your life also for all kinds of demonic issues than affect you, your wife and your children for generations to come.

Now here is our problem. If we do not correct the home and its structure we cannot change our churches, our communities, out local, state and federal governments. All of these societal structures are build from

the people who reside in the home. Whatever happens in the home carries over to that which we are associated with. This world we currently live in will not change unless we change the home.

The serpent speaks to the woman as though she was the man. Now look at verse 2. Genesis 3:2 "And the woman said unto the serpent, We may eat of the fruit of the trees of the garden:" When the woman speaks back to the serpent saying "We" she is speaking for the man. She is out of order. Women do you pick this up? You are not the head of your family. You cannot speak for your husband. This does not mean your a doormat but there is a process of order none-the-less.

We need to realize that it was never God's original intent for the woman to work, to pay a bill or to be more than the help mate of her husband. This is one of the reason's God made the woman in the image of her husband. This is the reason God says do not marry unyoked people.

Unfortunately woman, you have individuals (witches) like Oprah, Beyonce, Ellen Degenerate, and many others telling woman that the woman is the head of the household. You woman need to understand what and who you need to listen to. You may say that you can listen but not be affected in that listening. You are lying to yourself. The demonic world works in open portals. By listening to these individuals who are demonic you open the portals door to hell for all kinds of demonic issues. These comments these women make are deep state illuminati plan.

As another side note, before the advent of the television you had family dinners around a table. This process is part of God's sacred will for us. It was the the table where the fathers were to work through God's nurturing of the family. But because of dark wisdom the television was invented to destroy the makeup of the family. Now Suzie and John have televisions in their rooms because the parents have no backbone to follow God's will and they do not want to and, in fact, do not even come to the table anymore. They get food and go to their room and have removed themselves from the family. Parents you must take back your family. Do not do so, is going to continue the current state of our environment for generations to come. It is required you break this cycle. It is not only in breaking the family order, but it is filling your children mentally with things of this world and not of God.

Getting back on subject. Women, anytime in history where the woman has taken the lead from her husband has been failure. It is not because she doesn't have the capability of leading, but it is out of order. Test me here. I ask you to prove me wrong. I am not saying the little things that may have little consequence of the outcome. But any major event of the family where the woman has taken the lead over

her husband has been a failure. Maybe not right away but over time it has proved to be a failure. God is a God of order. If you wish to be underneath the covering of God and all his blessings the family must be in order.

The feminism movement was created by the deep state in order to destroy the home. You woman pickup on the latest and greatest societal norms you want to experience and never ask God if it is the right thing underneath His covering. We have been so programmed to take the latest without thought and question and just move. Woman if you do not start acting as a Godly woman you will destroy you, your family and your children for generations to come.

OK, women one more point, then I will give equal opportunity to the men. Women when you got married to your husband who you thought was a man but was only a man from the waist down and not the man from the neck up you married the wrong man (another topic). Women you must nurture your children to the understanding about what this married life is to be from God's perspective.

Men, if you do not take charge of your home as a Godly man then you have set your family up to go around your order from God that opens the family to all demonic issues. Men you must treat your wife as a helper. In fact, you should not make any decision without first gathering from her input. This is not just asking, and it goes in one ear and out the other. God tells you that you are to listen to her. Here is another point. God did not command the woman to love her husband. For those men who are insure that will eat at you for a long time. God command the man to love his wife as Christ loves the church and through that love the woman will cling to her husband. So men, when you are having issues with your wife, look in the mirror and see what you need to fix.

Men, here is another point for your ego. God's intent is not for the woman (your wife) to teach and raise your children. That is the total responsible of the husband. So when you go to work and come home your day is not over. Your day is just beginning. You are to love your wife, provide for your family, create a secure environment and teach and raise your children. Think about that when you tell your wife the children need help with homework or their throwing up and someone must clean up the mess. Men we have become lazy. We think we are entitled to be kings of our castle when, in fact, we are the servant.

Those men who want to sit at home and not go get a job forces the woman to take charge and because of the lack of a backbone in the man opens the portal from hell for all demonic issues.

If we are going to change the future for our children, we must teach them the ways of God and do not allow what we allowed to ever happen again.

Men, your wife cannot honor you as God's will if you do not become a Godly man. It is not in the nature of a woman to honor or hold in high regard a man that doesn't know the dignity of work and the reverence of God. It was not the nature given to the woman by God.

OK back to the subject. If we do not understand the conditions of our lives compared to the responsibilities and structure of God, we are playing a role in the furtherance of the matrix.

The reason that the serpent was successful in Adam transgression is because Adam put his ministry ahead of his assignment. Adam's first assignment was not of his ministry. Adam got caught up in knowing he had God's mind because he named all the animals and did other things through God's mind. Adam did not do those things with his mind. He did those things as the mind of God. God told him what to name the animals. Adam's first assignment was not his ministry but his wife. Men that were then and is the same today. Our first assignment in life is to our wife. Not our job - and oh I wish I had known that many years back. Would have saved a lot of heart ache and issues. Adam fell in love with the work of God and out of love for the God who gave the work and missing the details of his true assignment.

So what we find is the characteristic of infiltration into our lives by the illuminati is through inversion - not through the front door but the back door. If we understand God's order and reverse, it then we need to be watching for things coming our way through that way to first determine where it is coming from - God or lucifer.

satan has, in Genesis 3, contaminated God's anointing of the family. In Genesis 1 we were anointed even before we were born. God anointed us to have dominion or conquer the demonic state. However, we cannot conquer demonic issues if we fail to confront them. If we do not like conflict, then you better learn how to. It is God's will that through His anointment and His giving us dominion that we, through the power of the Holy Spirit, rule this world as earthly citizens.

Let's continue.

Women when you give birth to a child the state (deep state) calls the child a fetus. Men take note here as well. I emphasize women because they give the birth but men, I have been there, when mentally we have

given birth 9 times of the carrying period. The deep state deception of words is exhibited here. The term fetus comes from the Greek word foetum means an unborn offspring of an animal. The reason why our government in our laws uses the term fetus is to have a Phys op on us regarding the term child switching the word fetus with a different true meaning to get around the foundation of God's principles and our founding documents. Whatever God has in truth lucifer has a counterfeit. Words have meaning and bring curses upon us. We are not animals, but the term classifies us that way in order for the deep state to implement the 66 laws of the illuminati. THINK!!!! The child in the deep state is called a fetus.

The term serpent can be interpreted in accordance with Roman Antiquity means certification. According to the New Testament historian, Josephus, in his writing of the Antiquity of the Jews, he states that every serpent was dedicated to the gods in the Roman Empire as a (get this) birth certificate. This means that the conception of the birth certificate comes through the body organ of lucifer the serpent in Genesis 3:1.

It gets more interesting. It was Pope Boniface VIII during the 1302 Unam Sanctam designed by lucifer to require the serpent or the new certificate of a live birth to be provided to the Roman Catholic Church. It was never God's original intent that we have birth certificates. We do not need certification from God because we are part of God. The serpent was the first birth certificate. Unam Sanctam gave the power to the church that every soul on earth belonged to the Vatican. Through Unan Sanctam all live birth certificates have been provided to the Vatican bank since 1302. Therefore, to the deep state is nothing more than a serpent. Unless the parents sign a live birth certificate, depending on the country of birth, within seven days from birth then the child is considered dead tot he deep state - your government and the Vatican church. Now Vatican means in Latin Vatican anus or soothsayer. The Vatican priesthood place generational curses on those birth certificates.

As another side note, Alcohol Anonymous was created through a seance by Bill Wilson and his Dr. friend along with their wives to invoke Pope Boniface VIII up to provide them with the program.

Every birth certificate is traded on stock exchanges throughout the world. This is taken up to death as well. Every death certificate is filled with the Vatican bank and also traded throughout the world.

Looking at Christ crucifixion we are told that everyone crucified in the Roman Empire was injected with the venom of a serpent. This was done by having demonic individuals mixed the serpent venom into the vinegar that was given to the individual hung on the cross through the sponge for drink. Christ did not take the sponge because he did not want his blood contaminated by the serpent system. Matthew 27:34

"They gave him vinegar to drink mingled with gall: and when he had tasted thereof, he would not drink."
Gall is venom.

When we continue with looking at the term of serpent, we find in Babylonian is draconian. Where we get the terms dracula, tracula (contact tracing), drag queen, and dragon. Where do we see in the USA draconian inference as to our laws? Tracula gets us to the deep state naming of the tracular as part of our body. This is also where we get the word Cass system which is used to genetically modified the genomes.

Another side note. The reason our bodies are so susceptible to illness and cancers is not because of stress and diet but because, going back to the Greek and Roman Empire, they name our body parts with the names of demonic god's and goddesses for which creates curses.

We have provided the origins (root) of the deep state and in this post have done the same for the illuminati. We are ready to transition into the third assignment I had of exposing the conditions which have transcended in history to today. This is a good place for us to stop.

So I leave you with this thought. How is it we find our self today no different than at the beginning of time and not know it? I ask again why is it we have not been taught the truth and have no knowledge really about the Doctrine of Christ or His Christology? And finally, what are you going to do about providing the truth to yourself, your family, your children and the furtherance of generations?

Hosea 4:6 "My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children."

2 Timothy 2:15 "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

Amos 5:14 "Seek good, and not evil, that ye may live: and so the Lord, the God of hosts, shall be with you, as ye have spoken."

Matthew 7:7 "**Ask**, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you:" Who and what is the it?

We have explained the origins (root) of not only the deep state but of the illuminati. It is through the illuminati that the nature and character of the deep state are implemented.

What has happened throughout history up to current day is built upon itself that create for us inherited generational curses that we need to deal with. It is not just the curses we put on our self or others in today's environment, but it is the accumulation of undealt curses that bring forth into our bodies curses that result in disease and death.

We have today a medical syndrome called Auto Immune Disease Syndrome. In medical terms this labeling represents that the individual body has begun to attack itself. In other words the individual has become allergic to itself. When you look at this disease, we find that this disease during pregnancy is the mother's legacy to the child from the pregnancy. Whatever disease the woman may have is transferred to the child. Not only is it transferred to the child but there have been medical studies that prove the child can transfer to the mother its individual illness during the birth through the birth canal. So if the child has arthritis, it can transfer it to the mother during birth. This is with any illness. Cancer cells which may reside in the child can be transferred to the mother. So, just like diseases can be transferred from the mother to the child or the child to the mother, so can generationally curses.

All diseases are a result of a law which allowed them to take root in our bodies. While the pharmaceutical industry can treat the symptom of the disease it does not cure it. The disease will come back over time. Look at the common cold. Our bodies are healed only by God. James 5:16 "Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much." From here we see that body disease is caused by sin (the law) or lucifer's control. Therefore, for us to be truly healed we must remove the law that allows the disease so it can never come back. Exodus 23:25 "And ye shall serve the LORD your God, and he shall bless thy bread, and thy water; and I will take sickness away from the midst of thee."

When we are sick instead of asking God to remove, the sickness from us we need to seek Him to remove our bodies from the sickness. He needs to remove our spirit for the law that caused the sickness.

Healing takes place at three different levels. Our bodies are healed. Our emotions are cured. And our spirit is made whole. We provided the scripture as to healing above.

Matthew 17:15-18 "15 Lord, have mercy on my son: for he is lunatick, and sore vexed: for oftentimes he

falleth into the fire, and oft into the water. 16 And I brought him to thy disciples, and they could not cure him. 17 Then Jesus answered and said, O faithless and perverse generation, how long shall I be with you? how long shall I suffer you? bring him hither to me. 18 And Jesus rebuked the devil; and he departed out of him: and the **child was cured** from that very hour." Christ cured the young man's emotional state causing him to be vexed.

Luke 8:50 "But when Jesus heard it, he answered him, saying, Fear not: believe only, and she shall be made whole." Mark 10:52 "And Jesus said unto him, Go thy way; thy faith hath made thee whole. And immediately he received his sight, and followed Jesus in the way." Matthew 12:9 "But when Jesus heard that, he said unto them, They that be whole need not a physician, but they that are sick."

So, throughout history everything which we have allowed to be part of our lives either infects our bodies, our emotions or our spirit. All of these infects are from satan and the devil and all are possible because of the laws by which the viruses and bacteria create the disease or illness. No illness or diseases can be experienced if we are whole.

OK back to the subject.

There is a book which you can buy online or at bookstores that is written by Johnny Cerise titled "Eaters of Children: The Pedocracy Exposed: How access to power is granted through the rape, torture and ritualistic slaughter of the innocent." The front cover of this book has a demon with a child in its mouth and behind the demon is has a sundial representing the symbol on the flag created by Alexander The Great as the current day flag of Macedonia called the flag of vagina. Why is this important? This same flag is the background of the CIA logo.

There are several current day secret societies that go back in time to the ancient practices of the serpent bloodline. We will look at a few throughout history.

Mothers of Darkness

If you looked on the internet about this subject, you would find this - "Mothers of Darkness" and the "Mothers of Darkness Castle" (Chateau des Amerois). This is said to be the headquarters of The Illuminati. The 19th century neo-gothic style castle built between 1874 - 1877 is hidden deep within thick, green forest, near the small town of Muno, south-east of Bouillon, Belgium that is said by many to be the evillest place on Earth.

This is not the original castle. This is the high priestess castle. You will have to dig really deep to find that the origins of this organization go back to lucifer in Genesis 3:1. There are castles all over the world. The castles are used for demonic rituals that include the level of attendant in the castle and higher in the organization.

The Mother of Darkness as written in books about lucifer is Lilith - the female side of lucifer.

Structurally the Mothers of Darkness report through the Illuminati. They are five Mother's of Darkness acting as CEO's of the Mothers of Darkness organization. They speak directly to lucifer. The mothers then put their children into one of two categories. The first is those that appear to have the gifts to contact demonic spirits called the hierarchy. The ones that do not have this ability are classified as expendables.

One level in the system of the Mothers of Darkness are the brides of satan - his hairum.

Between ages 16 and 19 young females must undergo the deep Satanic alters or "pathworking." This pathworking will be completed before they turn 19.

At age 19 they are initiated into the 1,000 points of light ceremony. Usually held at the Mother-of-Darkness castle of Château des Amerois(Castle of Kings) close to the Belgium-French border in Europe in late April-May (Beltane). Guards and heavy forest protect the large castle from public view.

The parameters are protected by electric fencing as well as CCTV. The 19th-century neo-gothic style castle seems to be stuck in time. It is said that inside there is a room dedicated to huge parchment manuscripts bound in human leather containing the names of the initiates. The castle has a cathedral fitted with a dome with 1,000 lights and a great hall with columns on either side and a larch stone altar at its center.

The Mothers of Darkness ritual will be the sealing ceremony for The Princess or Debutant level. With the Mothers dressed in black, a 1000 young virgin girls from the bloodline families are ceremoniously and symbolically deflowered by one single male. This male is specially bred for this purpose and is programmed for this ritual. At the end of the ritual, the male is ritually sacrificed and eaten.

An Illuminati Grande Dame is killed in a ritual in order to pass her spiritual power onto the next initiate in line and is done with great reverence.

No blood is spilled out of respect since the woman who gives up her life willingly. At death, the last breath is inhaled by the replacement to transfer the power. It is said that there may be as many as 2,197 Grande Dames at such a coronation. her head is served on a silver platter at a banquet.

For the deeper alters of a high-level slave, this is part of their way of life; they are told it is their birthright and heritage. Their life is a constant struggle of trauma and dissociation. Because of their dissociation with the rest of their own System of alters, they don't perceive a need to change their lifestyle.

The ritual for this purpose creates an intense energy field-- a vibrational frequency, which connects the consciousness of the participants to the lower fourth-dimensional reptilians and other consciousness of the lower fourth dimension.

This dimensional field is also known as the lower astral to many people, which resonates to the frequency of low vibrational emotions like fear, guilt, hate and so on. When a ritual focuses these emotions, a powerful connection is made with the lower fourth dimension and its parasitic reptilian gods. This is when possession takes place, and the reptilian entities take over the initiate's physical body.

The leading Satanists are in fact full-blood reptilians cloaked in human form.

If you want to understand the entire structure you may be interested in listening to this interview with a defector of the order. <https://www.blogtalkradio.com/discoveringthetruth/2019/08/08/illuminati-structure-explained-by-one-chosen-as-a-mother-of-darkness>

Boule Secret Society

This society was setup underneath the first Black Masonic Lodge in the USA. On this date in 1787, Prince Hall, a Revolutionary War veteran, organized the Negro Masonic Order in the United States African Lodge No. 459, in Boston.

This became the first Black self-help fraternal institution in the United States. His petition for the lodge was presented to the Grand Lodge of England in March 1784, but its implementation was delayed. These fraternal organizations were important to Black's at the time; along with churches and schools, they constituted an important part of the self-help movement.

Now, more than 200 years later, the Negro Masonic Order has 40 grand lodges, 5,500 lodges, and more than 500,000 members.

Prince Hall traveled to Ireland to gain the approval of the Rothschild to start the first black masonic lodge in the USA. It was granted but with the caveat that the lodge could only go to the level of 33 degree and not the last 1/3 degree above it. This was the way the white masonic lodge could have control over the black lodge.

The Boule Secret Society was setup to control the black population keeping them on plantation. This society selects those out of society who can move to financial success and those that are granted this must be initiated to achieve such results. Black men are buck broken with other men. Black women are buck broken with other women and men. What is buck broken.

Buck Breaking refers to the act of sexually abusing Black slaves publicly and in front of other slaves, in order to assert dominance, punish them and ultimately emasculate Black men. This is sometimes painted to be a closeted gay slave owner's way of acting out their repressed sexual urges, which were largely criminal at the time. There is debate as to whether Buck Breaking existed and how popular it was, with little historical evidence surrounding it. In 2021, a documentary by Tariq Nasheed featuring Judge Joe Brown titled *Buck Breaking* covering the history of the practice was released, claiming the practice still exists in some form today. The term became popular on 4chan's /tv/ and /pol/ boards following the film's

release, particularly in mocking and ironic posts against Nasheed for spreading Buck Breaking as legitimate, and posts claiming Nasheed is interested in buck breaking as a fetish.

The history of sexual abuse towards slaves has been studied by numerous researchers. The term "buck breaking" comes from "Black Buck," a post-Reconstruction era (1861-1865) racist term used to refer to Black men who were seen as stereotypically violent or unruly and refused to work with the law and society. "Breaking a buck" refers to abusing the Black man to get him to follow orders. Specifically, it often pertains to sexual abuse.

Those that want this success are within a system that they can never leave.

This system is now concentrating not only on black individuals but all individuals. In order to be a success recording artist, actor or actress you have to conform to this society. Once joined they control you.

So, understanding that we have the same demons in our world today as in history we must learn to fight them and destroy them. This is the biggest failure of the church but if you listening to the link above you will find that the church system of religion is part of the matrix. Therefore, your spiritual warfare must be taught elsewhere.

1 John 3:8 "He that committeth sin is of the devil; for the devil sinneth from the beginning. For this purpose the Son of God was manifested, that he might destroy the works of the devil."

Christ came to destroy the nature and character of satan and the devil. He came to destroy the system of lucifer in all of its sophistication and compartmentalization.

John 14:12 "Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father."

Christ, through His Doctrine or Christology, has given us the same power that He had in order we can do the same works He did when He walked on this earth. If Christ could cast out demons so can we. If Christ healed the sick so can we. If Christ raised people from the dead so, can we. Whatever Christ did in His

physical life experience we can do also. But no one has taught us to do that. What are not we doing His works?

Christ called the 12 disciples not as apostles first. He called them to be with Him. He did this to teach them and when the time was right, He gave them the mantel of their apostle office.

Pulpits today say the offices of Christ in Ephesians 4:11 died with the 12 apostles. If this was the case, then how did Christ give apostleship to the 72 in Luke 10. And if you study the 45 missing books you will find more. And it is Christ who told the office holders to pass down their mantels to the next generation. So, from the very beginning, the offices provided in Ephesians 4:11 were given by Christ to His followers and His followers were to select the next in line to receive the succession of the mantel.

There are 13 families that rule this world. These 13 families are the bloodline going back to lucifer in Genesis 3:1 and going back to the fallen angels in Genesis 6, Enoch 6 and Jude 6 - 666. In the process of cleaning up this luciferian world under the directions of Trump the heads of all 13 families have been liquidated. In order for you to understand these bloodlines we will look at the Rothschild bloodline. The Rothschild became Rothschild in 1760 when their name was Bauer. They changed their name from Bauer to Rothschild in order to take over the Vatican Banking system. Before they became the Bauer name their name was Bacharach which was part of the Sanhedrin at the time of Christ.

We could go on in history but will stop with the details provided herein. You can research other world events and ask questions to aid you in your research.

So I want to end this discussion by looking at the goals of lucifer. It is the goal of lucifer to genetically change us from a God creation to one of lucifer. This can only be done in the change of our genetic structure. Let's take a deep dive here.

There are four events in history that get lucifer to this goal of transforming God's creation to trans-humanism.

The first event is in Genesis 3:1. lucifer through the serpent infects God's creation of the spiritual being through infecting the spiritual being with viruses and bacteria through the blood infection. This created two bloodlines and all the blood type with the help of the fallen angels who took daughters of men and created the giants.

The second event was in John 5:4-9 "4 For an angel went down at a certain season into the pool, and **troubled** the water: whosoever then first after the troubling of the water stepped in was made whole of whatsoever disease he had. 5 And a certain man was there, which had an infirmity thirty and eight years. 6 When Jesus saw him lie, and knew that he had been now a long time in that case, he saith unto him, Wilt thou be made whole? 7 The impotent man answered him, Sir, I have no man, when the water is troubled, to put me into the pool: but while I am coming, another steppeth down before me. 8 Jesus saith unto him, Rise, take up thy bed, and walk. 9 And immediately the man was made whole, and took up his bed, and walked: and on the same day was the sabbath."

Angels has no authority to heal. Therefore, this is stating that the angel is a demonic spirit who came to infect the water. The word trouble in Persian means to infect the water. In rabbinical text there was no spacing between letters. The bible before translation was one sentence of code from start to finish. SO if you add the an and angel together you get the word anangel. This word in Persian means hydro-gel. What this scripture is telling us is that a demon infected the water with hydro-gel to heal (anti-healing) whoever stepped into the water.

The third event was when satan tempted Christ. Matthew 4:1-4 "1 Then was Jesus led up of the Spirit into the wilderness to be tempted of the devil. 2 And when he had fasted forty days and forty nights, he was afterward an hungred. 3 And when the tempter came to him, he said, If thou be the Son of God, command that these stones be made bread. 4 But he answered and said, It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God."

Why did satan want Christ to turn certain stones into bread? satan infected those specific stones so that if Christ turned the stones to bread and ate, He (Christ) would receive the infection and change His DNA.

The fourth event is what we are going through today with the jab. Through the jab and its ingredients will read our DNA and mRMA and add ot it (infect the cell) will transform us through elements of the jab (MRC5, PERSI6, DPT, etc.). The jab contains a protein called luciferase enzyme. This enzyme is in the RH+ and - blood types and is harmful to all other blood types.

We have provided a great deal of discussion points in the Six Parts of the Systems of the Matrix for you to understanding WHAT YOU ARE and WHO YOU ARE and the matrix system which has prevented you from living a life as Who You Are to only live as What You Are. This is exactly what the matrix

wants to do - keep you on the plantation. It is each one of our jobs to break this matrix and turn into WHO WE ARE.
